To the Congress of the members of the International Fencing Federation (FIE), Lausanne

Lausanne, 16 June 2016 mg/4.3

Auditors' report on the limited audit

In our capacity as statutory auditors, we have audited the annual accounts (balance sheet, income statement and notes to the accounts) of the International Fencing Federation for the year ended 31 December 2015.

Responsibility for the preparation of the annual accounts falls to the management, while our task consists of auditing those accounts. We declare that we meet the legal requirements for approval and independence.

Our audit was performed in accordance with the Swiss rules on limited audits. These rules require the audit to be planned and carried out in such a way that any significant irregularities in the annual accounts can be identified. A limited audit chiefly covers hearings, analytical checks and appropriate detailed verifications of the available documents in the audited company. However, verifications of operating cash flows and the internal control system, as well as hearings and other audit operations intended to detect fraud or other violations of the law, do not form part of this audit.

During our audit, we did not discover any element that might lead us to conclude that the annual accounts are not in accordance with the law (Arts. 957 et seq. of the Code of Obligations) and the Statutes.
