

Dear President,

Decisions of the Executive Committee

Following the meeting of the Executive Committee in Chania (GRE) on 16 September 2018, please see below and in appendix the decisions taken:

1. Situation of the Kuwait Fencing Federation

As the IOC has provisionally lifted the suspension of the Kuwait NOC, the Executive Committee has provisionally lifted the suspension of the Kuwait Fencing Federation. From now on all officials and athletes can take part in FIE events and competitions under the banner of Kuwait.

An interim Committee will be appointed and given a roadmap to assist the Federation with the various procedures to be followed.

2. Designations for 2019

Please see attached the following designations:

- Directoire Technique Presidents / Event Managers for the Grand Prix.
- Referees and Refereeing delegates for the Junior and Cadet World Championships in Torun (POL)

3. Fair-Play Trophy 2018

The Fair-Play Trophy 2018 was awarded to Mr Christian Bauer (FRA), Mr Marco Fichera (ITA), and Mrs Katharine Holmes (USA), on the proposal of the FIE Fair-Play Council.

4. Veterans Council

Following the death of M. Max W.F. Geuter (MH, GER) Mrs Caryl Oliver (GBR) joined the Council as a member.

5. Documents for the 2018 Congress

A subsequent information letter will cover the documents for the Congress.

Legal Commission

Following the death of Dr. Omar Alejandro Vergara (MH, ARG), Mr Hameed Mahdi ABDULHADI (IRQ) joined the commission.

Supervisors for the 2018/2019 season

The Executive Committee has appointed the supervisors for the 2018/2019 season, and these appear in the “Calendar” section of www.fie.org.

Situation of the Fencing Federation of Georgia

Further to the decision of the FIE Disciplinary Tribunal, the Fencing Federation of Georgia is suspended until 31 December 2018. This suspension also applies to the Federation’s referees and officials. However, the Disciplinary Tribunal has decided to allow the athletes from Georgia to take part in FIE competitions, under the banner of the FIE. The athlete’s name and the “FIE” acronym must therefore appear on the back of the uniform jackets. National uniforms will bear the FIE colours and not those of Georgia.
