

## Proposal for an urgent decision for the 2018 Congress

### Updating the Organisation Rules after the decisions of the 2014 Congress

#### **Rationale:**

The proposal below does not change the rules or the decision of the 2014 Congress. It simply eliminates a contradiction between two articles: an old text that was not modified and the rule that was voted by the 2014 Congress.

The proposed amendment to article o.108.1.c (former article o.83.1.c, before the restructuring of the Rules in 2017), validated by the Rules Commission and adopted by the 2014 Congress, covered both the individual ranking and the team ranking.

See below the text proposed to and then adopted by the 2014 Congress:

---

#### **Motivation :**

*To start the new season with the new calendar the rules has to be amended as proposed in order to avoid any confusion and misunderstanding caused by the new order of GPs and World Cup competitions.*

#### **o.83.1 c)**

~~*The competition in the current year cancels out the corresponding competition of the previous year, and the points allocated for a competition cancel out the points attributed to the same competition in the previous season.*~~

*The first Grand Prix event of the current year cancels out the first Grand Prix event of the previous year, and so forth for the remainder of the Grand Prix events.*

*The first World Cup event (individual and team) of the current year cancels out the first World Cup Event (individual and team) of the previous year, and so forth for the remainder of the World Cups in the year.*

*The points allocated for a competition cancel out the points attributed to the corresponding competition in the previous season.*

#### **Application: 2014/2015 season.**

---

However, since the texts concerning the individual ranking and the team ranking are two different articles (o.108.1.c and o.109.1.b), it would have been necessary, in order not to have two contradictory texts:

- Either to split the proposal into two
- Or update o.109.1.b, in accordance with the 2014 Congress decision adopted for both the individual and the team rankings, as follows:

**o.108.1.c Official FIE individual ranking**

The first Grand Prix event of the current year cancels out the first Grand Prix event of the previous year and so forth for the remainder of the Grand Prix events.

The first World Cup **individual** event (~~individual and team~~) of the current year cancels out the first World Cup **individual** event (~~individual and team~~) of the previous year and so forth for the remainder of the World Cup events in the season.

**o.109.1.b FIE official team ranking**

The **first World Cup team** event which is held during the current year cancels out the ~~corresponding~~ **first World Cup team** event held the year before, **and so forth for the remainder of the World Cup team events.**

~~just as if~~ The points obtained ~~during the new~~ **at an** event replace the points obtained **at the corresponding event held** the year before.
