*Dear Sir / Madam,*

*I have been working for more than 15 years in international law firms, and am currently a partner at Noerr LLP for the Budapest office. I gained very significant experience in numerous legal matters, ranging from real estate to labour law and international disputes, and work on cross-European projects on an everyday basis in English, German or Hungarian. I led several assignments, which helped me develop negotiation skills in a multi-cultural environment. As the head of the Employment, Regulatory and Compliance Practice Group of the Budapest Office of Noerr, I advise clients on internal regulations, by-laws and compliance issues on a daily basis. I believe in team work and in collective success.*

*Since 2012 I am the member of the Legal Commission of the FIE. During this 4-year period, I was actively involved in almost all on-going matters of the Legal Commission.*

*Furthermore, I am the recent President of the Committee for Club transfers and registration of the Hungarian Fencing Federation. In this position, I am responsible for the drafting of the internal rules of the Hungarian Fencing Federation. At the same time, I am the member of the Disciplinary Committee of the Hungarian Fencing Federation too.*

*Beside my work as a lawyer, I successfully managed to be a member of the Hungarian foil team, and took part in numerous World Cup events over the last 15 years. I also won 3 Hungarian National championships in team events. Lastly, I obtained an intermediate degree to qualify as a fencing coach.*

*As evidenced by the above, I believe that I am in a unique position to help the FIE on legal matters in the future as well. Just like in the past four years, I would relish the opportunity to bring my enthusiasm and my energy to the FIE and continue the work we have started.*

*I look forward to hearing from you soon.*

*Yours sincerely,  
Edina Czeglédy*
