TRANSPORT

Transport Barcelona Airport (El Prat T1) – Terrassa

Unfortunately, we must inform you that this year, due to technical issues we won't be finally able to offer it.

This means that you will have to organize your transport from the airport to Terrassa and back to the airport by your own means, relying in any of the many taxi companies which offer shuttle services around Barcelona.

We, as Fencing Catalan Federation use to work with www.taxiecologic.com. There are many others and all of them offer a good service. Feel free to contact any of them.

You have also reliable public transport combinations (Metro to Barcelona + train to Terrassa), which is cheaper than taxi service, but which takes much longer time.

We feel very sorry and apologize for the possible inconveniences this situation might have caused to you.

Here we explain some public transport combinations:

AEROBUS + TRAIN + BUS: the competition may be attended by using the following combination of means of transport:

- Aerobus (Airport – Barcelona, Plaça Catalunya)
- Train Ferrocarrils de la Generalitat de Catalunya, line S1 Terrassa (Plaça Catalunya – Terrassa Rambla)
- Bus, line 8 (Terrassa Rambla – CAP Sud)

TAXI: The official taxi cars in Barcelona are black and yellow and they are legally authorized to charge the fare shown in their taximeter. The journey to get to Hotel Terrassa Park takes 45 minutes, approximately.

- **Transport from Hotel Terrassa Park to Pavelló Poliesportiu Municipal de Can Jofresa (World Cup venue)**

The competition's official hotel is located at a distance of approximately 200 meters from the sports hall where the World Cup will be held. Therefore, the participants do not need any means of transport to get there.

BAR SERVICE

There will be an open bar service for the fencers and their companions on the day of the competition.
