

Advices in case of disaster

- The insured or his/her beneficiaries must declare in writing to Chubb European Group SE any incurred loss within the 5 following working days describing the circumstances.
- Abroad, your medical expenses, in case of hospitalization, will directly be paid by Chubb Assistance after verification of the validity of your card by the hospital admission department.
- Medical expenses excluding hospitalization will be reimbursed when the Insured returns to his/her country of origin. He/she must supply all the necessary supporting evidence.
- In case of loss, damage, theft or destruction of baggage, the insured must report to the competent local authorities within 24 hours from the date of the loss and forward the statement to the Insurer within 10 days.

Please find below a template of your new Assistance card « Assurance Missions Professionnelles ».

Detach your card « Assurance Missions Professionnelles » and keep it carefully in your wallet. It contains information regarding your guarantees and assistance as well as the emergency service number.

This card is not considered as a credit card or to guaranty any Hospitalization fee.

Cover for medical expenses abroad

This cover shall apply in respect of professional assignments or journeys carried out or made anywhere in the world excluding the insured home country.

This cover applies without any limitation of amount but within the limit of **Five Hundred consecutive days** per loss, in the event of an Accident or Illness;

In case of an hospitalisation while on a professional assignment, the costs charged by the Hospital are incurred directly to Chubb Assistance. In all cases, the insured agree to provide a claim for reimbursement to its National Health Service Scheme, Medical insurance Plan or any Insurance or Social Welfare providers for which the insured can claim and pay back any amount received to Chubb Assistance.

In case of an hospitalisation and once arrived the In-patient admittance desk, the insured must contact Chubb Assistance.

Others medical costs are reimbursed to the insured once the insurer has received all the supporting documents.

All of these costs shall be exclusively ordered by a practitioner legally qualified to practise his/her profession and holding the qualifications required in the country where he/she practises. These costs must have been incurred for treatments, equipment, and/or medical costs which are necessary for the recovery of the Insured person. They shall not exceed the average cost for similiary treatments, equipment or medical costs at the location they are incurred. They do not include supplementary costs which would not be incurred if the Insured person have had not benefited of this insurance.
