# ABOUT DÜSSELDORF

Düsseldorf is world-famous for its shopping amenities – on celebrated Königsallee, for instance. A grand boulevard where boutiques, flagship stores and shopping arcades are interspersed with pavement cafés.

Rhine-Tower

In the Altstadt (Old Town), you feel the metropolis's pulse. The district is the perfect place for those who wish to experience Düsseldorf's restaurant and brewery inn culture – and equally for those interested in culture or history.

The MedienHafen (Media Harbour) – headed by the Rhine Tower – has established itself as an attractive entertainment area with its mix of innovative architecture (Gehry-buildings) and trendy gastronomy.

The quarter around the Hotel Nikko known as "Little Tokyo on the Rhine" – one of Europe's largest Japanese communities – offers visitors a deep dive into Japanese culture with its growing food scene.
