PREAMBLE

The International Fencing Federation (F.I.E.) is a non-profit making organisation which is subject to the laws and regulations of the country on whose territory its head-office is located.

Its functioning is regulated by these Statutes as well as by the Administrative Rules.

The purpose of the Administrative Rules is to elaborate on the principles defined by the Statutes and to regulate the normal functioning of the Federation.

The Statutes are approved and modified by vote of the F.I.E. Congress.

The Administrative Rules are approved by the Executive Committee.

Between meetings of the Executive Committee, the Central Office of the F.I.E. is authorised to suspend or modify the Administrative Rules in exceptional cases in response to circumstances requiring an urgent solution. These modifications will become the object of a detailed report submitted for the approval of the next Executive Committee meeting.

The present Statutes represent a complete restructuring of the old Statutes of the F.I.E.

This restructuring was completed by the Legal Commission in 1999. It was approved by the Congress of the F.I.E., during its meeting held in Lausanne on December 10 and 11, 1999.

CHAPTER I - BASIC PRINCIPLES

The FIE recognises, accepts and commits to the Olympic Movement's constitutive principles as "a philosophy of life, exalting and combining in a balanced whole the qualities of body, will and mind. Blending sport with culture and education, Olympism seeks to create a way of life based on the joy of effort, the educational value of good example, social responsibility and respect for universal fundamental ethical principles"*.

The FIE objective is "to place sport at the service of the harmonious development of humankind, with a view to promoting a peaceful society concerned with the preservation of human dignity. The practice of sport is a human right"*.

In order for the fencing world to progress as a whole, solidarity between the strong and the weak is an undeniable requisite, whether it be between continents, federations or athletes. This vision must become real. Our common singular motto: fencing together, universal fencing.

Fencing combines with cohesion and balance physical and mental skills, among other things: athletic qualities, dexterity, reaction, speed, creativity, anticipation and adaptability. Fencing is based on the fundamental values of the Olympic Movement, especially: respect of the athletes, officials, referees and spectators, politeness, loyalty, sportsmanship, discipline and observance of the rules.

1.1 MISSION

The FIE is recognised by the IOC as the organization which governs the sport of fencing worldwide in accordance with the rules in Chapter 3 of the Olympic Charter*.

The Aims of the F.I.E. are:

- a) to promote the development of fencing throughout the world, to tighten the ties of friendship which unite fencers of all countries, by setting up lasting relations between representative groups, and to nurture the improvement of the practice of our sport in every way.
- b) to see that international competitions open to member federations are organised in accordance with F.I.E. Rules;
- c) to establish Rules according to which international competitions must be organised;
- d) to organise the Open World Championships, as well as Junior, Cadet and Veteran World Championships;
- e) to authorise and supervise the other official F.I.E. competitions;
- f) to insure that in international competitions the bans, suspensions, expulsions, disqualifications and all other penalties issued by one of the member federations are respected;
- g) to study and legislate on all matters pertaining to fencing in international relations;
- h) to promote and develop the struggle against doping;
- i) to organise the fencing at the Olympic Games, in liaison with the International Olympic Committee.
- j) to ensure that the principle of non-discrimination on the grounds of race, sex, ethnicity, religion, political opinions, family status or other, is respected.
- k) to apply appropriate measures to contribute to the respect of the environment.

*: Olympic Charter, p. 10, 16

l) to ensure fair sporting contests so that the spirit of fair play prevails.

m) to establish rules and appropriate measures to protect the health of athletes and prevent any abuse.

n) to take appropriate means to provide for the social and professional future of athletes.

1.2. MEANS OF ACHIEVING THE AIMS

1.2.1 The F.I.E. will only acknowledge one sport authority in each country (the "National Federation") to regulate fencing.

For the definition of "country", the F.I.E. will adopt the interpretation of the International Olympic Committee.

1.2.2 The F.I.E. must not interfere in the purely internal functioning of its constituent members, except in case of violation of the FIE Statutes or Rules or of the Olympic charter. The FIE executive committee is responsible for addressing the issue.

1.2.3 The F.I.E grants an international licence to compete in its official competitions (cf. chapter 9).

1.2.4 The F.I.E. requires each member national Federation to apply the principle of political, racial and religious non-discrimination.

In particular, no competitor from a member national Federation may take part in an official competition of the F.I.E. or in any other international competition if he or she refuses for any reason to fence against any other registered competitor, unless his refusal is authorized by the Statutes or the Rules.

In case of violation of this rule, the competitor will immediately be disqualified, and the Executive Committee will investigate if, and on what charges, a request for a penalty against the member national Federation to which the disqualified competitor belongs should be submitted to the Disciplinary Commission.

1.2.5 The member Federation which applies as a candidate to organise congresses, official competitions, or any other F.I.E. international events, document that the organizer has used all means to enable all the member Federations to take part in those events, without any discrimination whatever.

Failure to comply will subject the member federations to sanctions by the FIE.

1.2.6 a) No team or competitor of a member federation has the right to take part in any competition organised by a non-member country or by a "confederation" which is not recognised by the F.I.E. and the converse.

Nevertheless, competitors of countries which are not members of the F.I.E. may be registered for individual competitions organised by member federations, provided that they are F.I.E licensees for the current season. They fence under the banner of the F.I.E.

b) All members of member federations are forbidden from taking part in competitions or events organised by an individual or entity which is not recognised by the national federation of their country, unless these competitions or events have been specially authorised by that same federation.

International competitions which are not organised by a member federation and in which there are more than five nationalities must have the approval of the F.I.E. and must appear on the International Calendar.

Sub-regional international competitions with fewer than six nationalities may seek the approval of the FIE provided that the FIE rules and safety standards are implemented.

c) The competition entries of teams or individuals are only valid if sent by their member federation, except as permitted in the 2nd paragraph a) above.

d) As an exceptional measure, and in order to develop international Fencing in countries where a National Federation which is a member of the F.I.E. does not yet exist, the member Federations, with the agreement of the F.I.E. Central Office, may accept fencers from non-member countries, specifying in advance the venue and date of the envisaged events.

The permission thus granted will have to stress each time that it applies to a match between fencers of one single member Federation and those of one single non-member country.

1.2.7 All bans, suspensions, expulsions, disqualifications or other penalties issued to a licensee of the FIE by a member federation should be made known to the Central Office of the F.I.E. which will inform the member federations of the F.I.E..

1.2.8 The FIE recognises the fundamental principles of the Olympic Charter, the Code of Ethics of the International Olympic Committee and the competence of the Commission of Ethics of the International Olympic Committee.

The F.I.E. and its bodies shall observe open tenders for their contracts.

1.3 REGISTERED OFFICE

The registered office of the F.I.E. is located in Lausanne (Switzerland).

1.4 FINANCIAL YEAR

The financial year is a twelve month period from January 1 to December 31.

1.5 OFFICIAL LANGUAGE AND WORKING LANGUAGES

1.5.1 French is the official language of the F.I.E.

1.5.2 The working languages of the F.I.E. are French, English and Spanish.

All the business of the F.I.E. must be conducted in one of these three languages.

1.5.3 All the official texts of the F.I.E. are rendered in French.

Translation into English and Spanish will be provided, under the control of the F.I.E. Executive Committee.

Should there be any difference between the French text and any translation, the French text will be given priority.

1.5.4 All communications of the F.I.E. will be available in all three working languages.

Each federation must advise the Central Office of the F.I.E. in which of the languages it wishes to receive communications.

1.5.5 It is desirable that, as far as possible, proposals for changes to the Rules, Statutes and annexed texts be made in French.

If a proposal is made in another working language, the F.I.E. will be responsible for its translation.

- 1.5.6 At the Congresses, people may speak in any one of the working languages and the Central Office will take the measures necessary to ensure that the participants can enjoy the benefit of simultaneous translation in the three languages.
- 1.5.7 Federations who wish to communicate in a language other than one of the working languages may do so, but they must provide the necessary translation at their own expense.
- 1.5.8 At the Congress, votes on decisions will be conducted on the basis of the French text only.
- 1.5.9 At prize giving ceremonies of official F.I.E. competitions, announcements must be made in both French and in either another F.I.E. working language and/or the local language, as appropriate.
- Presiding will always be conducted in French.

1.6 FINANCIAL RESOURCES

The financial resources of the F.I.E. consists of:

- 1) Federations' subscriptions
- 2) Licence fees
- 3) Fees for the organisation of competitions
- 4) Television rights
- 5) Donations and income from its sponsorship contracts
- 6) Such other resources as may be developed

The amounts of the fees above (items 1 to 4) are determined by the Executive Committee and approved by the Congress for the following season.

CHAPTER II - MEMBERS OF THE F.I.E.

The members of the F.I.E. consist of national Federations, Members of Honour and Patrons.

2.1 CONDITIONS OF MEMBERSHIP

2.1.1 *Conditions of membership of national federations.*

The F.I.E. is composed of national Federations (Federations, Unions, Fencing Sections, National Sports Organisations etc.) officially recognised by the Olympic Committee of their country as the only representatives of fencing in their country.

In case that the IOC has taken measures of sanction or injunction against a NOC for the protection of the Olympic movement and because of Olympic Charter violations, the FIE COMEX may adopt interim measures it considers appropriate in defence of the principles and values underlying its statutes, including the suspension, total or partial, of its membership, with the consequences and scope they deem appropriate, in relation to the National Federation of the NOC. In any case, the measure shall be adopted after the affected national Federation has the opportunity to be heard and must be endorsed by the next Congress. The FIE COMEX shall have the right to look for any arrangements for the fencers and referees who had been representing that National Federation.

a) Qualification

In order to qualify as a member of the F.I.E. a National Federation must have a sufficient number of attached fencers and prove that its Statutes do not clash with the Fundamental Rules of the F.I.E. Statutes - being chapters 1-7 of these Statutes - (except with respect to official and working languages).

The National Federation must have an independent role in accordance with the principles of the Olympic Charter.

The F.I.E. recognises that the National Federation may include fencing masters.

These latter may nevertheless not hold the office of President, Vice-President, Secretary general or Treasurer or any equivalent position.

By fencing master is meant a person whose principal activity is the teaching of fencing in return for payment

b) Application for membership

The practical process of affiliation requests is stated in the FIE Administrative Rules, chapter 8 "Membership of a national federation". A National Federation which wishes to be made a member of the F.I.E. can present an application to the Executive Committee of the F.I.E. This application must be accompanied by a declaration from the National Olympic Committee, certifying that this group is the only one officially recognised by to govern fencing in their country.

In a case of dispute between two or more groups each desiring to represent their country as a member of the F.I.E., the Executive Committee of the F.I.E. will be called upon to decide, which to recognise, after consulting the National Olympic Committee concerned.

c) Enrolment

At each of its meetings the Congress rules on applications for membership.

The Executive Committee has the right to accept provisionally, until the next Congress, a National Federation which has applied.

When a National Federation is a provisional member it benefits from the same rights and has the same obligations as any other member federation.

A refusal for permanent membership by the Congress does not allow any grounds for compensation.

d) Loss of membership

The member federations may lose their membership of the F.I.E.:

- by resignation
- by expulsion

2.1.2 *Members of Honour*

a) Nomination

All candidatures must be presented by a national federation, a member of the Executive Committee, any commission or a member of Honour, three months before the Congress, which follows the Elective Congress. The nomination shall include a detailed rationale of the candidate's eligibility for being awarded the title of Member of Honour.

A candidate can be nominated multiple times by a new timely submitted nomination.

b) Eligibility

All individuals currently holding, or having previously held, FIE licenses are eligible to be nominated, except for the current members of the Executive Committee.

The title of Member of Honour may be granted by the Congress to any person who, through a long and loyal service to international fencing has proved his or her constant commitment to the F.I.E. This is granted as a mark of appreciation towards this person and also in order to secure for the F.I.E., in all its activities, the enlightened advice of that person.

Members of Honour may continue to seek elected office with their Member Federations and the FIE.

c) Procedure

Before the Congress, which follows the Elective Congress, the Bureau may single between one and six persons with the intention of proposing their nomination as Members of Honour at the Congress.

The Bureau must seek the approval of the Executive Committee before presenting its proposal to the Honours Commission.

The Honours Commission is made up of:

- the Secretary General, Chairman of the Commission
- the Members of Honour present at the Congress

The Commission meets during the lunch break (on the first day) of the Congress, which follows the Elective Congress and decides, by a series of secret votes, whether or not to present each candidate for Member of Honour to the Congress.

d) Loss of membership

The Members of Honour may lose their membership of the F.I.E.:

- by resignation
- by expulsion

2.1.3 *Patrons*

The F.I.E. may include Patrons. The title "Patron" is bestowed by the Congress, in response to a petition of the Honours Commission, to any very high ranking personality outside the world of fencing proper, who has shown a great interest in the F.I.E. or who has enhanced the splendour of its events by his or her personal prestige.

2.2 **RIGHTS AND DUTIES OF MEMBERS**

2.2.1 *Rights and duties of member Federations*

a) Each member Federation has the right to vote in Congresses of the F.I.E.

b) Each member Federation has the right to present its candidates for the different bodies of the F.I.E. (see chapter 4).

They also have the right to draw up proposals which may be submitted to the Congress (see chapter 3).

c) The Presidents of all the member federations are recognised as delegates of the F.I.E. in their respective countries.

They represent the President of the F.I.E. in all international events of their respective federation every time that the President himself or his delegate is unable to attend.

d) Each member federation is under an obligation to ensure on its territory respect for the rules of the F.I.E. when events are organised under its auspices.

e) Furthermore each member federation must ensure that its own Statutes do not clash with the Fundamental Rules in these Statutes (cf.2.1.1).

f) Official documents issued by a National Federations shall be signed by the President or the Secretary General or equivalent. It is within the internal governance of the National Federations to determine whether specific documents require the approval of their Board.

2.2.2 *Rights and duties of Members of Honour*

a) The Members of Honour of the F.I.E. are present by right at the Congresses of the F.I.E.

If they are not delegated by their national federations to represent it, they only have an advisory role, i.e. they cannot vote.

b) They also have the right to be present at the meetings of all the Commissions of the F.I.E., but in an advisory capacity only.

2.2.3 *Rights and duties of Patrons.*

This title is purely honorary.

2.3 **ZONAL CONFEDERATIONS**

In order that a confederation be recognized by the FIE, it is necessary that their statutes provide that the President of the FIE is an ex-officio member of their executive committee. As such, he has the right to vote.

2.3.1 The F.I.E. will allow some member federations to group themselves according to geographic areas into "Confederations" in order to control relationships which they think they can usefully establish among themselves
(1) Footnote: Zonal Confederations as in 1999.

2.3.2 These Zonal Confederations may only include member federations. The Zonal Confederations are not, themselves, members of the F.I.E.

2.3.3 They may have no rules or statutes contrary to those of the F.I.E. In the case of disagreement in the interpretation of the Statutes and Rules of the F.I.E. and those of a Zonal Confederation, those of the F.I.E. have priority.

2.3.4 They may ask to be recognized by the first F.I.E. Congress that follows their formation, after submission of their Statutes.

- 2.3.5 Zonal Confederations may choose whatever language they like as official language for their internal relations.

2.4. RESPONSIBILITY OF ZONAL CONFEDERATIONS

- 2.4.1 Zonal Confederations assist the FIE with the development of fencing in a particular geographical Zone.
- 2.4.2 This assistance by Zonal Confederations in regard to the FIE is defined by the Administrative Rules.

CHAPTER III - THE CONGRESS**3.1 MEETINGS**

a) Congresses are held during the latter part of November or the first part of December each year.

i) The Elective Congress is held during the Olympic year.

The following Congresses will handle the specific matters stated below:

ii) The Congress to handle proposals to change the Rules and Olympic Games issues shall occur in the 1st year after the Olympic year.

iii) The Congress to handle proposals to change the Statutes and remaining matters concerning the Olympic Games shall occur in the 2nd year after the Olympic year.

iv) The Congress to handle all other matters shall occur in the 3rd year after the Olympic year.

As an exceptional derogation to ii) or iii), urgent proposals that need immediate attention can be handled during any of the Congresses mentioned above, if the Executive Committee so decides, after having received a motivated advice on the matter by the Legal Commission (for Statute modification proposals) or the Rules Commission (for Rule modification proposals).

b) An extraordinary Congress may be convened if the Executive Committee so proposes, or at the request of at least 50 % of member Federations. The expenses incurred by the organisation of this Congress are paid by the FIE.

c) The place and the date of a congress is established by the Executive Committee in a city offering convenient air and rail links as well as lodging opportunities.

3.2 ROLE OF THE CONGRESS

3.2.1 Each year the Congress receives the reports on the management of the Executive Committee and on the operational and financial situation of the Federation, the report on the accounts for the financial year that has ended and the report of the auditors. It approves the amounts of the fees listed in article 1.6, items 1) to 4) determined by the Executive Committee for the following season.

It votes on the provisional budget.

It approves the positive report of the auditors.

Should the accounts for the financial year that has ended not be approved by the auditors, the President and the Executive Committee are dismissed from their positions.

The Congress appoints professional auditors as auditors for the following fiscal year, which can be renewed. The report of the auditors shall be based on recognized international financial reporting standards.

3.2.2 The Congress alone is competent to rule on acquisitions, exchanges and sale of real estate, on undertaking mortgages, long term leases (more than 9 years) and loans which are intended to underwrite the F.I.E.

3.2.3 The Congress establishes, controls and steers the general policy of the F.I.E. It determines the modifications to be made to the Statutes, the Rules for the competitions.

It has the power to pronounce the dissolution of the F.I.E.

3.3 COMPOSITION AND REPRESENTATION

- 3.3.1 The FIE member Federations may be represented at a FIE Congress by 2 delegates, whose names must be made known to the FIE Head Office one month before the Congress in writing. Members of the Executive Committee, the Commissions and the permanent councils ("Councils") have the right to take part in the Congress.

The authority to vote for a member Federation is limited to its President or any other person designated by him in writing.

- 3.3.2 When a Member Federation has not fulfilled its financial obligations towards the F.I.E. 30 calendar days (00:00 hrs Lausanne time) before the opening day of the Congress, such Member Federation will be prohibited from being represented at the said Congress and from voting, unless exception has been made for a valid reason and accepted by the Executive Committee and such reason shall be announced to the Congress.

3.3.3 *Proxies and mandates*

a) The right to vote at a Congress can be delegated to another federation. This proxy must be signed by the President of the Member Federation, and the mandate can be imperative for all statutory modifications.

In no instance may a proxy agent have more than one mandate for another Member Federation.

b) The only valid proxies are those received by the F.I.E. before the opening of the Congress : the proxy must bear the signature of the President of the Member Federation.

When a Member Federation has already received a proxy, and now receives another proxy from another Member Federation, it must inform the latter that it cannot accept the proxy.

Every proxy may identify one or several other Member Federations who could receive that proxy, in order of preference, should the Member Federation receiving the proxy be prevented from taking it.

3.4 AGENDA

- 3.4.1 All the proposals shall reach the FIE's head office no later than 00:00 hrs Lausanne time 7 months before the opening day of the next Congress.

Any proposal reaching the head office after this date cannot be put on the agenda.

- 3.4.2 Any proposal presented must mention the number of the article of the Statutes or the Rules concerned, the deleted text, the added or modified text, as well as the motivation of the proposal. Proposals that do not respect this form will not be taken into account.

- 3.4.3 The President of the F.I.E. must send the agenda to all the Member Federations, with any necessary clarification annexed, at least one month before the Congress.

- 3.4.4 At Congresses, for each point under discussion, the Member Federations, the Honorary Members and each member of the Executive Committee may express their opinion no more than twice, and for a maximum of three minutes on each occasion. This restriction does not apply to the presentation of commissions' reports, nor to the replies to questions addressed to any of the above persons, nor to the right to reply to an accusation.

- 3.4.5 At the end of the discussion on each item of the agenda, the CEO or any other person given the responsibility will announce the precise text which will be voted upon.

After the vote, the definitive text will be confirmed and recorded.

- 3.4.6 The urgent summary of Congress decisions must be drafted by the CEO, reviewed by the President of the relevant Commission, approved by the President of the FIE and sent to the Member Federations within a month.

3.5 DECISIONS

3.5.1 *Required majorities*

The decisions of the Congress are reached by a simple majority votes cast. The simple majority rule applies as well to the establishment of the financial fees and resources (cf. article 1.6 of the Statutes) and decisions on entry fees are reached by a simple majority of votes cast. The total number of votes cast must be at least equal to the majority of all the Federations present or represented at the Congress.

If in exceptional cases a Congress must decide on matters which are not on the agenda and not provided for by the Statutes, the decisions can only be made by a majority of 3/4 of votes cast, and may never involve a modification of the Statutes. The total number of votes cast must be at least equal to the majority of all the Federations present or represented at the Congress.

3.5.2 *Quorums*

The deliberations of the Congress are only valid if more than 50% of all the members of the F.I.E. are present or represented.

If this proportion is not achieved, the Congress is dissolved and it will be convened again within a period of six months at most. On this occasion it will deliberate validly whatever the number of votes represented.

3.5.3 The Congress decisions concerning modifications to the Statutes are valid with a majority of 2/3 of the votes cast. The decisions of the Congress concerning the modifications of the Rules are valid with a simple majority of the votes cast. The total number of votes cast must be at least equal to the majority of all the Federations present or represented at the Congress.

3.5.4 *Dissolution*

The dissolution of the F.I.E may only be pronounced with a majority of ¾ of the votes of the federations present or represented.

3.5.5 *Right to vote*

Every Member Federation is entitled to one vote for all voting.

3.5.6 *Secret voting*

At the Congress the vote is secret on any point which concerns an individual person or a Member Federation, or on the decision of the Chairman of the meeting, or at the request of at least 25% of the members present.

3.6 SPECIAL RULES FOR THE ELECTIVE CONGRESS

3.6.1 The President, the Executive Committee and the members of the permanent commissions are elected at the Elective Congress during the Olympic year. They are elected for four years.

3.6.2 The voting for the President, the Executive Committee and the Commissions is conducted by secret ballot.

The Executive Committee may decide that the vote be conducted by electronic ballot, in which case it will inform the member federations.

If the vote is not conducted by electronic ballot, it must take place in a separate polling booth, to which the delegates of the federations go one after another to complete their voting slips, which should be a different colour for each Commission, and place them in one or more closed ballot-boxes.

If the number of candidates for an election does not exceed the number of persons to be elected, the candidate(s) is(are) deemed elected by acclamation without a formal election process.

3.6.3 The elections take place in the following order: President, then Executive Committee, and finally Commissions.

3.6.4 If a ballot paper contains more votes than the number of positions to be filled, the vote is void.

3.6.5 The President, the members of the Executive Committee and of the permanent commissions (except the Athletes Commission) take office on the first day of the month following the closing day of the Olympic Games or of the Elective Congress, whichever is the latter.

The members of the Athletes Commission take office on the first day of the month following the meeting at which the Executive Committee selects the final six members.

CHAPTER IV - PROCESS FOR THE ELECTION OF THE PRESIDENT, EXECUTIVE COMMITTEE AND THE COMMISSIONS AND SELECTION OF THE COUNCILS
4.1 GENERAL RULES

4.1.1 The President of the F.I.E., the 15 other elected members of the Executive Committee and the members of the commissions (other than the Athletes Commission) are elected by the Elective Congress. The members of the Councils and the Disciplinary Panel are selected by the Executive Committee at its first meeting after the Elective Congress during the Olympic year. They are selected for four years. They are eligible for re-election/re-selection respectively at the end of their term of office.

4.1.2 Candidates for the Executive Committee, a Commission, a Council, the Ethics Committee or the Disciplinary Panel may be proposed by an F.I.E. Member Federation, subject to the following conditions:

- only one candidate may be proposed by each Member Federation for each post
- a candidate can only be presented by the Member Federation (treated in 4.4.1, 4.6.2 and 4.7.1) whom the candidate has nationality.

4.1.3 All the candidatures shall reach the FIE Head Office no later than 00:00 hrs Lausanne time **40** calendar days before the opening day of the Elective Congress.

The candidature must be presented by means of a form provided by the FIE (one single page of A4 format) - which must include the languages spoken as well as the degrees or other qualifications for the particular commission. A photocopy of an identity document stating the candidate's date of birth and nationality (passport, identity card, driving licence) must be provided with the candidature.

The administrative office of the F.I.E. will include the list of all the candidates as well as the CVs that have been received in the documents relating to the Congress.

The FIE Bureau rejects candidatures which do not respect the Statutes or the IOC Code of Ethics. Each national federation can contest the list of the candidates communicated by the Bureau. Otherwise, the proposals taken at the meeting of the Council will be submitted by correspondence from the FIE Office to absent members within 5 days as of the meeting held, who shall express their opinion within 8 days following the receipt of the proposals. In the case no opinion is expressed within this 8-day deadline, it shall be deemed that the affected member of the Council has agreed with the proposal.

6A.4.3 Councils must admit to their meetings the persons, or their representatives, responsible for the proposals submitted to the Congress and placed on its agenda by the Executive Committee of the FIE. The attendance of such a person, or his representative, is restricted to the time when that proposal in question is being discussed.

The expense for such attendance is borne by the persons, or their representatives, responsible for the proposals. Councils must also admit to their meetings any person designated by the President of the FIE.

6A.5 FUNCTIONS OF THE COUNCILS

6A.5.1 *Coaches Council*

The Executive Committee can consult the Coaches **Council** on any subject it deems appropriate **including** all technical questions linked to fencing rules, training methods, training of coaches and instructors.

The Veterans Council gives its advice to the latter on all issues related to veteran fencing. The Veterans Council can also propose to the Executive Committee all measures, which could contribute towards improving veteran fencing.

6A.5.3 *Women and Fencing Council*

The Women and Fencing Council performs the following functions:

- Increase the number of initiatives to encourage more women to participate in fencing, both as fencers and in the management of the sport
- Encourage the organisation of training courses for women in the different areas of sport (leadership, management, supervisory staff, training, refereeing...)
- Ensure equal opportunities in the management and participation of women and their representation in sport

CHAPTER VII - DISCIPLINE**7.1 DISCIPLINARY CODE****7.1.1 *Jurisdiction***

The Disciplinary Panel, selected by the Executive Committee, has sole jurisdiction to rule on all offences against the Rules, Ethics Code, Safeguarding Policy discipline or sportsmanship within the purview of the International Fencing Federation (F.I.E.), (including any of its confederations that have subjected themselves to this FIE Disciplinary Code and/or the decisions of the Disciplinary Panel), except the specific dispositions with respect to discipline at the sites of the competitions to be found in Articles t.114 et seq. of the Rules for Competitions of the F.I.E. The Executive Committee will assure the respect for and the execution of the decisions of the Disciplinary Panel.

For the purpose of the Disciplinary Code, any confederation that has subjected itself to this FIE Disciplinary Code and/or the decisions of the Disciplinary Panel will hereinafter be referred to as a 'Joined Confederation'.

7.1.2 *Disciplinary jurisdiction - persons subject*

All individual or entities are subject to the disciplinary jurisdiction of the Disciplinary Panel of the F.I.E. for example who:

- are members of the F.I.E.;
- are licensees of the F.I.E. or of any of the Joined Confederations;
- are licensees of or affiliated to members of the F.I.E.; or
- are members of national delegations.

These persons will hereinafter be called the defendant.

The offences which are committed in the context of matters internal to a federation are subject to their rules and jurisdiction except if they are especially serious, if they have international consequences or if they affect individual defendants who originate from another federation. In that case the Disciplinary Panel of the F.I.E. may be used by the federations or persons concerned.

7.1.3 *Disciplinary code for competitions*

The present rules take priority over the rules figuring in the Rules for Competitions of the F.I.E. and in particular at Article t.94ss, Disciplinary Code for Competitions.

7.1.4 *Penalties*

The penalties which can be pronounced by the Disciplinary Tribunal of the F.I.E. are the following:

- a) Warning
- b) Censure
- c) Disqualification (this means elimination of all classification from the tournament concerned and the loss of all awards).
- d) Suspension, which deprives the defendant of all participation in the activities, sporting or other, organised under the aegis of the F.I.E., of the zonal confederations or the member federations, as well as their various affiliated authorities and entities.

The Disciplinary Tribunal will fix the date the suspension will take effect, and its duration.

In case of suspension of a non-individual (federation, club, association, etc.) all of the licensees who are members or who are attached in one means or another to such

organisation, are equally suspended, except when the authorisation of the Disciplinary Tribunal of the F.I.E. permits them, according to conditions which will be defined, to exercise their individual activities.

The suspension will include the withdrawal of the license for the duration of the suspension. In case of the violation of the suspension, the duration of it will be automatically doubled, without prejudice to other penalties which may be taken by the Disciplinary Tribunal.

The F.I.E. Central Office will assure that the suspension be brought to the attention of all of the member federations at the time it takes effect.

e) Expulsion. This penalty will only be used in serious cases or where there is repetition of offences.

This penalty includes the permanent suspension of the defendant from all activity which is in the fencing domain.

f) Fines. This penalty can be pronounced against all defendants, its level cannot be less than 125 CHF nor more than 12 500 CHF for individuals, the thresholds being 225 CHF minimum and 22 500 CHF maximum for entities.

The level of the fine can be more than 12 500 CHF in the case where multiple sentences of a fine are pronounced simultaneously, in which case they are cumulative.

g) Accessory penalties. Accessory penalties can be pronounced in addition to the principal penalty. This can be:

- prohibition of presenting oneself in certain places for a defined term;
- ineligibility in national and international authorities; or
- loss of a title or award.

The penalties will be published on the FIE website and in the official magazine of the FIE.

7.1.5 *Suspended sentence*

All penalties other than a warning or a reprimand can be totally or partially suspended for 2 years.

The suspended penalty will not be carried out if, within the two years following its pronouncements, no other offence of a similar or greater level of seriousness is committed by the defendant.

In the case where a similar or more serious offence is committed within the two-year period, the suspension will be automatically revoked, and the sentence incurred will be added to the sentence pronounced for the repetition of an offence.

7.1.6 *Repetition of an offence*

The defendant is considered to have repeated an offence when he has definitively been penalised for an offence and he commits a new offence of the same or greater severity within two years of the definitive decision penalising him.

7.1.7 *Offences*

The offences submitted to the assessment of the Disciplinary Tribunal of the F.I.E. are the following:

- Violation of the Statutes or the Rules of the F.I.E. or of any of the Joined Confederations
- Unsportsmanlike conduct
- Brutal behaviour
- Aggressive behaviour
- Verbal, physical, mental or sexual abuse
- Corruption
- Embezzlement

- False declarations when entering a competition or as a candidate for an election
- Violations of the Publicity Code
- Receipt of a black card during a competition
- Attack on sporting morals or ethics
- Provocation or disorder
- Threat
- Harassment
- Negligence

Violations of the Anti-doping Rules of the FIE are not submitted to the assessment of the Disciplinary Tribunal of the F.I.E. They are treated in accordance with the FIE Anti-doping Rules.

7.1.8 *Multiple offences*

In the case of several penalties being awarded corresponding to several offences, other than in the case of repetition, the Disciplinary Tribunal will decide whether only the most severe of the penalties is imposed or if all of the penalties are to be imposed.

7.1.9 *Complicity*

Complicity, by help or assistance, instigation or the furnishing of means by a person aware that his support is of use to the offence, is punished in the same manner as is the offence itself.

7.1.10 *Attempt*

An attempted offence, which is only interrupted by an intervention or by circumstances not within the control of the defendant, is punished in the same manner as is the offence itself.

7.1.11 *Proof*

Proof of the guilt or innocence of any defendant can be presented by any means. The statements of the Directoire Technique of a competition, properly constituted, or of the F.I.E. supervisors are deemed true unless proven otherwise.

7.2 **DISCIPLINARY PROCEDURE**

7.2.1 *The complaint*

a) Author of the complaint

Any person, individual or entity, whether or not they are a licensee of the F.I.E., if they are personally the victim of one of the offences enumerated above in Article 7.1.7 can present a complaint before the Disciplinary Tribunal.

Additionally, the members of the Executive Committee, the F.I.E. supervisors at international competitions, the Directoire Technique, or the presidents of the member federations can state the existence of an offence susceptible of being pursued by the Disciplinary Panel, and inform the latter of it.

b) Form of the complaint

The complaint must be addressed to the administrative office of the F.I.E. within 60 days following the incriminating acts or the date of their discovery. The postmark of the envelope or the reception stamp of the fax establishes the time.

The Complaint must note:

- the full name of the individual or entity, the nationality, address and title of the complainant(s);
- the full name of the individual or entity and nationality of the person being prosecuted or the indication that their address is unknown;
- a summary of the facts, the objectives of the complaint, with an indication of the rule or principle infringed; and
- the signature of the complainant.

The complaint can, moreover, be accompanied by documents necessary for the investigative file.

Supplementary or new information can be communicated up to the 60 the day following the date of the complaint or upon request of the tribunal, in its discretion.

7.2.2 *Composition of the Disciplinary Tribunal*

The head office of the F.I.E. will inform the President of the Legal Commission of any complaint filed with the F.I.E and the parties involved within three days after the complaint was filed with the F.I.E.

In case of admissibility of the complaint according to Article 7.2.1, the Legal Commission, or a sub-committee thereof selected for this purpose, will within 7 days after being informed about the complaint by the head office of the F.I.E. eliminate those members of the D.P. who have a conflict of interest, either because of the countries represented in the controversy or because of involvement in the incident in another role (e.g. DT, Arbitrage, etc.). It will then select the 3 members of the Disciplinary Tribunal by lots to be designated as the Tribunal, plus one additional person, also selected by lots, to be the alternate, who shall be substituted on the Tribunal if one of the 3 persons originally chosen is not available or shall be determined to have a conflict of interest which causes that person to be eliminated from the Tribunal. The Legal Commission shall designate the president of the Disciplinary Tribunal. Any member of the Tribunal selected by the Legal Commission shall have the responsibility to disclose any relationships with the parties and to refuse to accept any assignment to a Tribunal where there is a conflict of interest.

The proceedings of the Disciplinary Tribunal and the Legal Commission with regard to any complaint shall be strictly confidential until a decision is rendered. No copies of the complaint shall be sent to anyone other than the parties involved, the Head Office of the FIE, the Disciplinary Tribunal, the Legal Commission and the Bureau with respect to matters relating to 7.2.12.

7.2.3 *The disciplinary Tribunal - composition, powers, obligations*

The head office of the F.I.E. will send to the president of the Disciplinary Tribunal within 10 working days after its creation, the complaint, which was filed with the F.I.E.

The president of the Disciplinary Tribunal will, within 15 days, transmit a copy of the complaint to the person (s) being prosecuted therein.

A copy of the complaint is also sent to the president(s) of the federation(s) to which the parties belong.

The Disciplinary Tribunal can, on its own motion, decide that there are no grounds to prosecute the complaint which has been submitted to them.

That decision can be appealed according to the rules of Article 7.2.7.

The Disciplinary Tribunal has all of the powers for investigating the complaint, and pronouncing, if the case arises, a penalty.

It must, in all circumstances, respect and ensure respect of the rights of all parties.

7.2.4 *Procedure before the Disciplinary Tribunal*

The Disciplinary Tribunal itself chooses a reporter, from among the members of the Tribunal, who will be charged with investigating the file and collecting the proofs for and against defendant(s).

It can interrogate all witnesses and obtain all useful documents from everyone concerned, if need be by injunction.

In case of a refusal to testify or to communicate documents, the Panel refers the matter to the president of the Disciplinary Tribunal who has the power to penalise the persons withholding material with a fine of 500 to 5 000 CHF after having summoned them to receive an explanation.

The Disciplinary Tribunal rules on the complaint(s) which have been submitted to it within 2 months following the submission by the president of the Disciplinary Tribunal. Within this time, it summons the defendant(s) informing them that they have the right to have the assistance of a defender of their choice.

The summons must be addressed by certified or registered mail (or other means where receipt can be verified) to the defendant(s) at least 20 days before the hearing date fixed by the Disciplinary Tribunal. It will indicate that the defendant will be able to be assisted or represented by the person of their choice.

This summons will be accompanied by a new copy of the complaint as well as a copy of all the items in the file.

If it is impossible or difficult to make such copies, the contents of the file will be held at the disposition of the defendant at the administrative office of the F.I.E. or at another place designated by the President of the Tribunal (including secure computer 'drop-boxes', if both parties have an ability to access such computer files).

No later than eight days before the hearing, the defendant must communicate to the Disciplinary Tribunal all of the documents and the testimony on which he intends to base his defence as well as the identity of the witnesses whom he would like to be heard stating the reason why their evidence will be useful to reaching the truth.

The day of the hearing, the president will designate a person to ensure that there is a secretary for the hearing and to keep a record of the various statements under his control.

He will verify the identity of the complainant, the defendant and the witnesses.

He will invite the reporter to present his report.

He then listens to the declarations of the complainant(s) and the defendant(s).

He then proceeds to any examination of the witness(es) who will be kept out of the hearing until their turn to testify.

The president can hear all persons or ask for all documents useful to discovering the truth.

In general, the president alone controls the proceedings, and has the power, if the case arises, to exclude any persons creating a disturbance, to examine or not the witnesses, to order additional investigation, to decide to make a submission to the Disciplinary Panel to penalise the behaviour of the parties.

At the end of the discussion, the president gives the defendant, his representative, or if the case arises, his defence counsel, the right to speak last.

The matter is then considered by the Tribunal. The Disciplinary Tribunal reaches its decision by a majority vote.

In case of difficulty, the president of the Disciplinary Tribunal can ask the president of the Legal Commission or to the Executive Committee for an additional maximum period of not more than 3 months to gather supplementary information. The supplementary information will be communicated to the defendant and the complainant for them to respond within the time fixed in the cover letter. A new hearing can, if necessary, be called. It will be held according to the same terms and under the same conditions as the first hearing.

7.2.5 *Notification of the decision*

The president of the Disciplinary Tribunal will notify the defendant, the complainant and their federations of the decision (with justification and penalty) of the Disciplinary Tribunal. The notification is made by certified mail, with acknowledgement of receipt requested.

The president of the Disciplinary Tribunal shall also send copies of the decision to the President of the FIE and the president of the Legal Commission.

7.2.6 *Place and attendance at the hearing*

a) Place

The hearings of the Disciplinary Tribunal will be held at the administrative office of the F.I.E. or in another place chosen by the president of the Tribunal for reasons of convenience.

b) Attendance at the hearing

1. The Complainant

The Complainant is not obliged to appear personally.

He can express himself to the Disciplinary Tribunal by any means of communication as well as by sending a memorandum of explanation and supporting documents.

2. The Defendant

The presence of the defendant at the hearings is not obligatory. He can be represented by a defender specifically empowered by a written power of attorney or he can attend telephonically by calling at the date and hour indicated in the summons to the place designated by the Tribunal. The defendant will be responsible for the cost of his transportation and stay as well as those of his defender and any witnesses he may call. In the case of a frivolous complaint, the Disciplinary Tribunal will charge the complainant for all the expenses of the defendant.

3. The Witnesses

The witnesses are only obliged to appear on the special request of the Disciplinary Tribunal in which case their travelling expenses will be paid by the F.I.E.

If the defendant wishes the physical presence of a witness, he is responsible for asking him to attend and for paying his expenses.

Written testimony is permitted. It must be written, dated and signed in the handwriting of the witness. His signature must be certified according to the applicable laws of the country where he resides.

Telephonic testimony is permitted. Before his examination, the president of the Tribunal will verify his identity by any suitable means.

7.2.7 *The appeal*

Any decision made by the Disciplinary Tribunal may be submitted exclusively by way of appeal to the Court of Arbitration for Sport in Lausanne, Switzerland ('CAS'), which will resolve the dispute definitively in accordance with the Code of Sports-related Arbitration. The time limit for appeal is twenty-one days after the reception of the decision concerning the appeal.

7.2.8 *Form of proceedings*

The transcripts of the meetings are taken by the secretary of the meeting and signed by the president and the secretary.

The initial judgements are signed by the president of the Tribunal.

7.2.9 *Rights of the defence*

Any irregularities of the procedure of the Disciplinary Tribunal may annul its decision if they negatively affect the rights of the defence.

The meetings of the Disciplinary Tribunal are public.

The legal proceedings must in all circumstances respect the rights of the defence.

7.2.10 *Pronouncements*

All the sentences pronounced by the Tribunal or by CAS shall be brought to the attention of the Congress at its next meeting.

7.2.11 *Power of judgement by the Bureau of the F.I.E.*

In case of emergency, the Bureau of the F.I.E. can take, within the framework of its power to judge, preliminary administrative measures suspending the license of the defendant until a final ruling by the Disciplinary Tribunal. It can only do this in cases where the severity of the offence or its consequences requires it.

As a precondition to all such decisions, the president of the F.I.E. shall summon the defendant and the Complainant(s) before the Central Office of the F.I.E. by certified mail, acknowledgement of receipt requested, one week before the meeting, specifying that the defendant can be aided or represented by a person of his choosing.

At the time of the meeting, the Central Office shall assure itself that the summons has been properly presented to the defendant.

At the close of the meeting, the Central Office announces its decision to the defendant and the complainant by certified mail, acknowledgement of receipt requested.

Its decision is binding and subject to appeal pursuant to Article 7.2.7.

The duration of any suspension handed down is established by the Central Office.

It cannot exceed the date on which the Disciplinary Tribunal rules.

If the Disciplinary Tribunal orders a certain period of suspension, the administrative suspension ordered by the Central Office of the F.I.E. shall be included in such time.

The Central Office will make a report of this suspension at the next regular meeting of the Executive Committee.

CHAPTER VIII – ELIGIBILITY FOR COMPETITIONS**8.1.1** *Eligibility for competitions*

a) To be allowed to participate in the Olympic Games, in all official competitions of the FIE and in all international and national competitions, a fencer must observe and respect the IOC Rules established for admission to the Olympic Games.

b) A fencer may not

i) wear on his clothing or his person advertising other than the manufacturer's markings of his/her equipment as permitted by the I.O.C. and the F.I.E., except in conditions such as provided for by the Publicity Code.

ii) accept, without the knowledge of the F.I.E., his National Federation, or his National Olympic Committee, some material or financial benefits for his preparation or his participation in a sporting event;

iii) have obviously contravened according to the I.O.C. or the F.I.E. the rules of "Fair Play" when practising the sport (especially by the use of drugs, by violence or incorrect behaviour towards his opponents or the judges.);

iv) contravene the medical rules;

v) take bets on official competitions in which he takes part;

vi) participate without an international licence; or

vii) enter a competition organised only by a professional body, but he may take part in mixed competitions (with or against professionals) as long this is authorised by the F.I.E.

CHAPTER IX - LICENCES**9.1 LICENCES****9.1.1 *Statutory Character of Licence***

Being licensed obliges the national federation and the athlete to respect the Rules and Statutes of the FIE. Notably, the athletes who participate in FIE competitions commit to respecting the FIE anti-doping Rules, to use neither prohibited substances nor prohibited methods, and agree to submit to any in-competition and out-of-competition testing.

9.1.2 *Compulsory Character of Licence*

a) This licence is compulsory for all fencers taking part in any official competition of the F.I.E. No entry will be valid if a competitor does not have a valid licence for the current year.

b) This licence is also compulsory for the following persons:

- Members of the Executive Committee and of the commissions of the F.I.E.;
- All officials designated for the World Championships and Olympic Games; and
- All A or B referees of the F.I.E.

9.1.3 *Duration of Validity*

The licence is valid for the current fencing season.

9.1.4 *Annual Fee*

Every application for a licence or licence renewal can only be made after the payment of a fee which is set for the following season by the Executive Committee and approved by the Congress.

9.1.5 *Application and Issue*

a) The licences are ordered by national Federations on the FIE Web site for those holding the nationality or a refugee status issued by the governmental authorities of and entitled to membership with the federation.

b) For those countries which do not yet have a national federation which is a member of the F.I.E. applications are made through the Olympic Committee of the country.

c) It is strictly forbidden for a fencer to possess more than one international licence.

d) When a fencer is visiting another country, or even if he lives in a country other than his own, he must apply for his licence to the member Federation of his own country, that is to say, to the member Federation of the country whose nationality he possesses.

e) The F.I.E. head office with the agreement of the FIE Bureau may of its own initiative grant an international licence to a fencer who has the nationality of a country where there is neither a national federation which is a member of the F.I.E. nor an Olympic Committee affiliated to the I.O.C., and to fencers who are legally stateless.

9.1.6 *Procedure for Issue*

The procedure for delivery and control of licences are the responsibility of the Executive Committee and subject to the Administrative Rules.

9.1.7 *Refusal to Grant a Licence by a member federation*

Should a member federation refuse to apply for an international licence, it should inform the F.I.E. Bureau and explain the motivations in order to prevent a fencer living in a foreign country from applying again through a different channel.

9.1.8 a) A National Federation can obtain a license for a referee who is a citizen of the such country and whose license will specify the nationality of the referee.

b) A National Federation can obtain a license for a referee who is not a citizen of such country, but who has been a resident in such country for more than three (3) years and whose license will specify the nationality of the referee as FIE.

9.2 FENCERS' NATIONALITY

9.2.1 At the Olympic Games a competitor's nationality is set by rules of the I.O.C. to which the F.I.E. must conform.

9.2.2 For official competitions of the F.I.E., competitors must be strictly of the nationality of the country which they are representing:

a) The fencer who enjoys multiple nationality must choose which country he wishes to represent. The fact that he has fenced for one of the countries implies that he has made a choice. If he wishes to represent another country of which he enjoys nationality, he must so advise the Office of the F.I.E. and he may only represent this other country after an interval of three years from when he advised the Central Office of the F.I.E., during which he can no longer represent the other country.

b) A fencer who has already represented a country and acquires a new nationality (from being stateless or through naturalisation) can only represent his new country after an interval of three years from his last participation in a competition for his previous country.

Harassment and abuse can be based on any grounds including race, religion, colour, creed, ethnic origin, physical attributes, gender, sexual orientation, age, disability, socio-economic status and athletic ability. They can include a one-off incident or a series of incidents and may be deliberate, unsolicited and coercive.

Harassment and abuse often result from an abuse of authority, meaning the improper use of a position of influence, power or authority by an individual against another person.

For the purpose of this policy, harassment and abuse is defined as:

Psychological abuse

Any unwelcome act including confinement, isolation, verbal assault, humiliation, intimidation, infantilisation or any other treatment, which may diminish the sense of identity, dignity and self-worth or result in significant emotional upset.

Physical abuse

Any deliberate and unwelcome act- for example punching, beating, kicking, biting, burning or use of undue force - that causes physical trauma or injury. Such act can also consist of forced or inappropriate physical activity (e.g. age- or, physique- inappropriate training loads; or when injured or in pain) forced alcohol consumption, or forced doping practices.

Sexual harassment

Any unwanted and unwelcome conduct of a sexual nature, whether verbal, non-verbal or physical that does not constitute sexual abuse.

Inappropriate touching may be considered either harassment or abuse.

Sexual abuse

Any conduct of a sexual nature, whether non-contact, contact or penetrative, where consent is coerced / manipulated, is not, or cannot be given.

Neglect

The failure of a coach or another person with a duty of care towards the athlete or non-athlete to provide a minimum level of care, which results in harm or potential harm.

FIE SAFEGUARDING OFFICER

The Executive Committee shall appoint at least two persons, 1 male and 1 female, to serve as FIE Safeguarding Officers at each World Championship, as volunteers. These individuals shall be chosen from among the members of Commissions, Councils and Committees, or any independent/external entity trained for the protection of individuals. The group of Safeguarding Officers appointed for any of the World championships during the fencing season shall serve with respect to the online reporting as well as for the individual event(s) to which they may be appointed.

The role of the FIE Safeguarding Officer is to serve in a neutral, unbiased, independent capacity and to receive reports or complaints, assist in informal resolution of complaints, maintain records and investigate and advise on the steps to be taken in case of formal written complaints. In carrying out their duties under this policy, FIE Safeguarding Officers shall be directly responsible to the FIE Bureau and the FIE administrative office.

During the Junior/Cadet and Senior and Veterans World Championships, incidents of harassment/abuse/neglect can be reported to the FIE Safeguarding Officer on site.

During Open World Cups and Junior World Cups, incidents of harassment/abuse/neglect can be reported to the FIE Supervisor, acting as the FIE Safeguarding officer. This responsibility shall be added to the list of responsibilities of Supervisors.

The FIE shall designate Safeguarding Officers to other official FIE events, for example, training camps.

The FIE shall ensure that the FIE Safeguarding Officers receive appropriate training and support for carrying out their responsibilities under this policy.

Every member of the FIE Community has a responsibility to play a part in ensuring that the sport environment is free from harassment/abuse/neglect. The FIE encourages all incidents of harassment/abuse/neglect to be reported, regardless of who the offender may be.

To report a witnessed incident of harassment/abuse/neglect, the online form on the Safe Sport page of the FIE website www.fie.org can be used or a message can be left at safeguarding@fie.ch, both of which will be accessible solely by one of the Safeguarding Officers.

COMPLAINT PROCEDURE

Any person, whether or not they are a licensee of the FIE that experiences or witnesses abuse, harassment or neglect is encouraged to seek the initial advice of the Safeguarding Officer(s). A parent or guardian may represent a minor individual.

The Safeguarding officer(s), as the case may be shall inform the complainant of the option to pursue one of the following:

- Mediation, where the Safeguarding Officer will deal directly with the complainant and the respondent in order to find a suitable solution
- The right to file a formal written complaint before the Disciplinary Tribunal, by addressing it to the administrative office of the FIE, under this policy when an informal resolution is inappropriate or not possible. This procedure will assure due process for all parties.
- Referral to law enforcement agencies in the host country if the incident breaks the law of such host country.

COMPLAINT TO THE DISCIPLINARY PANEL

a) Author of the complaint

Any person, individual or entity (or the parent or guardian of a minor), whether or not they are a licensee of the FIE., if they are personally the victim of harassment/abuse/neglect can present a complaint before the Disciplinary Tribunal.

The members of the Executive Committee, FIE Safeguarding Officers, the FIE supervisors at international competitions, the Directoire Technique, or the presidents of the member federations can state the existence of an offence of harassment/abuse/neglect susceptible of being pursued by the Disciplinary Panel, and inform the latter of it.

Any witness to an incident of harassment/abuse/neglect can present a complaint before the Disciplinary Panel if the victim of such incident is less than [18] years of age.

b) Form of the complaint

The complaint must be addressed to the Disciplinary Panel of the FIE within 60 days following the incriminating acts or the date of their discovery. The complaint can be filed:

- In writing, in which case the postmark of the envelope, the date of the email or the reception stamp of the fax establishes the time.
 - Via online form
- The Complaint must include:
- the full name of the individual or entity, the nationality, address and title of the complainant(s);
 - the full name of the individual or entity, address and nationality of the person against whom the complaint is being made or the indication that their address is unknown;
 - a summary of the facts of the alleged harassment/abuse/neglect, the objectives of the complaint; and

- the signature of the complainant.

The complaint can, moreover, be accompanied by documents, including photos, necessary for the investigative file.

Supplementary or new information can be communicated by the complainant at the discretion of the Disciplinary Panel.

DISCIPLINARY PROCEDURE

Art. 7.2 applies. It may be necessary to recruit additional members of the Disciplinary Panel to be able to adequately handle complaints. Selection should take into account the skills and experience necessary to deal with matters of abuse and harassment.

PENALTIES

Art. 7.1.4 of the FIE Statutes applies.

CONFIDENTIALITY

It is understood that it can be difficult to come forward with a complaint of harassment/abuse/neglect and that it can be equally difficult to be wrongly accused of harassment/abuse/neglect. The FIE recognises the interests of all parties concerned in keeping the matter confidential.

Therefore, the FIE shall not disclose to outside parties the name of the complainant, the circumstances giving rise to a complaint, or the name of the respondent, unless such disclosure is required by a disciplinary, legal or other remedial process.

This requirement of Confidentiality in the matters covered by the FIE Safeguarding Policy expressly modifies the requirements of 7.2.9 requiring that the meetings of the Disciplinary Tribunal be public. Additionally, copies of the complaint do not have to be sent to the presidents of the federations of the Complainant and the accused as required for other complaints in paragraph 3 of 7.2.3.

PREVENTION OF ABUSE AND HARASSMENT:

The FIE shall develop measures to prevent abuse and harassment to keep athletes and non-athletes safe. These measures may include:

- Gathering information over time to take action if any person or group stands out as a risk;
- Establish a process of liaising with member federations regarding individuals who may have been disciplined for abuse or harassment;
- Establish information and educational programme to engage all member federations in the fight against abuse and harassment.

APPENDIX 1 TO THE FIE ETHICAL CODE

BETTING AND ANTI-CORRUPTION RULES

1. INTRODUCTION

- 1.1 The integrity of sport depends on the outcome of sporting events and competitions being based entirely on the competing merits of the participants involved. Any form of corruption that might undermine public confidence in the integrity of a sporting contest is fundamentally contrary to the spirit of sport and must be eradicated.
- 1.2 The International Fencing Federation ("FIE") has adopted these rules ("Rules") as a means of safeguarding the integrity of the sport of fencing by (i) prohibiting any conduct that may impact improperly on the outcome of its events and competitions and (ii) establishing a mechanism of enforcement and sanction for those who, through their corrupt conduct, place the integrity of fencing at risk.
- 1.3 The FIE is committed to taking all practical and reasonably possible steps within its power to prevent corrupt practices that would undermine the integrity of the sport of fencing. This commitment shall include:
 - (a) raising awareness of these Rules at all levels, including using existing and/or suitably adapted educational programs and tools to provide information and educational materials to the widest possible target audience;
 - (b) establishing the best means of monitoring sports betting at International competitions, including monitoring any irregular betting patterns that may occur;
 - (c) establishing the best means for the receipt of third party information on a confidential basis, for example, by establishing an information 'hot-line';
 - (d) establishing and, where appropriate, making use of effective channels for the exchange of intelligence and information related to the investigation and/or prosecution of violations under these Rules;
 - (e) co-operating with competent national and international authorities where information in its possession may also amount to or evidence infringements of other applicable laws or regulations; and
 - (f) exchanging information with partners in the Olympic Movement (through ASOIF or otherwise) on acknowledged areas of best practice in relation to combatting corruption in sport.

2. APPLICATION AND SCOPE

- 2.1 These Rules shall apply to all participants who participate or assist in an International competition and each Participant shall be automatically bound by, and be required to comply with, these Rules by virtue of such participation or assistance.
- 2.2 It shall be the personal responsibility of every participant to make himself aware of these Rules including, without limitation, what conduct constitutes a violation of the Rules and to comply with those requirements. Participants should also be aware that

conduct prohibited under these Rules may also constitute a criminal offence and/or a breach of other applicable laws and regulations. Participants must comply with all applicable laws and regulations at all times.

- 2.3 Each Participant submits to the exclusive jurisdiction of the Disciplinary Panel to hear and determine charges brought by the FIE and to the exclusive jurisdiction of CAS to determine any appeal from a Disciplinary Panel decision.
- 2.4 Each Participant shall be bound by these Rules until a date 6 months following his last participation or assistance in a competition. Each participant shall continue to be bound by these Rules in respect of his participation or assistance in competitions taking place prior to that date.
- 2.5 It is recommended that Member Federations and Confederations put in place similar rules and regulations to safeguard the integrity of competitions held under their respective jurisdictions.
- 2.6 Notice under these Rules to a Participant who is under the jurisdiction of a Member Federation or Confederation may be accomplished by delivery of the notice to the Member Federation or Confederation concerned. The Member Federation or Confederation shall be responsible for making immediate contact with the participant to whom the notice is applicable.

3. RULE VIOLATIONS

The following conduct shall constitute a violation of these Rules (in each case whether effected directly or indirectly):

3.1 Betting

- (a) Participation in, support for, or promotion of, any form of betting related to an event or competition (whether one in which the Participant is directly participating or is otherwise taking place in the Participant's sport or is taking place in another sport at an International competition hosted by a Major event Organisation in which the Participant is participating), including betting with another person on the result, progress, outcome, conduct or any other aspect of such an event or competition.
- (b) Inducing, instructing, facilitating or encouraging a Participant to commit a violation set out in this Rule 3.1.

3.2 Manipulation of results

- (a) Fixing or contriving in any way or otherwise improperly influencing, or being a party to fix or contrive in any way or otherwise improperly influence, the result, progress, outcome, conduct or any other aspect of an event or competition.
- (b) Ensuring or seeking to ensure the occurrence of a particular incident in an event or competition which occurrence is to the Participant's knowledge the subject of a Bet and for which he or another Person expects to receive or has received a benefit.
- (c) Failing in return for a benefit (or the legitimate expectation of a benefit, irrespective of whether such benefit is in fact given or received) to perform to the best of one's abilities in an event or competition.

- (d) Inducing, instructing, facilitating or encouraging a Participant to commit a violation set out in this Rule 3.2

3.3 **Corrupt Conduct**

- (a) Accepting, offering, agreeing to accept or offer, a bribe or other benefit (or the legitimate expectation of a benefit, irrespective of whether such benefit is in fact given or received) to fix or contrive in any way or otherwise to influence improperly the result, progress, outcome, conduct or any other aspect of an event or competition.
- (b) Providing, offering, giving, requesting or receiving any gift or benefit (or the legitimate expectation of a benefit, irrespective of whether such benefit is in fact given or received) in circumstances that the Participant might reasonably have expected could bring him or the sport into disrepute.
- (c) Inducing, instructing, facilitating or encouraging a Participant to commit a violation as set out in this Rule 3.3 .

3.4 **Inside Information**

- (a) Using Inside Information for betting purposes or otherwise in relation to betting.
- (b) Disclosing Inside Information to any person with or without benefit where the Participant might reasonably be expected to know that its disclosure in such circumstances could be used in relation to betting.
- (c) Inducing, instructing, facilitating or encouraging a Participant to commit a violation set out in this Rule 3.4 .

3.5 **Other violations**

- (a) Any attempt by a Participant, or any agreement by a Participant with any other person, to engage in conduct that would culminate in the commission of any violation of this Rule 3 shall be treated as if a violation had been committed, whether or not such attempt or agreement in fact resulted in such violation. However, there shall be no violation under this Rule 3 where the Participant renounces his attempt or agreement prior to it being discovered by a third party not involved in the attempt or agreement.
- (b) Knowingly assisting, covering up or otherwise being complicit in any acts or omissions of the type described in Rule 3 committed by a Participant.
- (c) Failing to disclose to the [International Federation] or other competent authority (without undue delay) full details of any approaches or invitations received by the Participant to engage in conduct or incidents that would amount to a violation as set out in this Rule 3 .
- (d) Failing to disclose to the FIE or other competent authority (without undue delay) full details of any incident, fact or matter that comes to the attention of the Participant that may evidence a violation under this Rule by a third party, including (without limitation) approaches or invitations that have been received by any other party to engage in conduct that would amount to a Violation of this Rule;
- (e) Failing to cooperate with any reasonable investigation carried out by the FIE or other competent authority in relation to a possible breach of these Rules,

including failing to provide any information and/or documentation requested by the FIE or competent competition authority that may be relevant to the investigation.

3.6 The following are not relevant to the determination of a violation of these Rules:

- (a) Whether or not the Participant was participating, or a Participant assisted by another Participant was participating, in the specific event or competition;
- (b) The nature or outcome of any bet in issue;
- (c) The outcome of the event or competition on which the bet was made;
- (d) Whether or not the Participant's efforts or performance (if any) in any event or competition in issue were (or could be expected to be) affected by the acts or omissions in question;
- (e) Whether or not the results in the event or competition in issue were (or could be expected to be) affected by the acts or omissions in question.

4. BURDEN AND STANDARD OF PROOF

- 4.1 The FIE or other prosecuting authority shall have the burden of proving that a violation has occurred under these Rules. The standard of proof shall be whether the FIE or other prosecuting authority has proved a violation to the comfortable satisfaction of the Disciplinary Panel, a standard which is greater than the mere balance of probability but less than proof beyond a reasonable doubt.
- 4.2 Where these Rules place the burden of proof on the Participant alleged to have committed a violation to prove facts or circumstances, the standard of proof shall be by a preponderance of the evidence.
- 4.3 The Disciplinary Panel shall not be bound by judicial rules governing the admissibility of evidence and facts may be established by any reliable means, including but not limited to, admissions, evidence of third parties, witness statements, expert reports, documentary evidence and other analytical information.
- 4.4 The Disciplinary Panel shall have discretion to accept any facts established by a decision of a court or professional disciplinary tribunal of any competent jurisdiction which is not subject to a pending appeal as irrefutable evidence against the Participant to whom the decision relates unless the Participant establishes that the decision violated the principles of natural justice.
- 4.5 The Disciplinary Panel shall be entitled to draw an adverse inference against any Participant who is accused of committing a violation if that Participant fails to appear in front of the Disciplinary Panel if requested to do so a reasonable time in advance of the hearing, or fails to comply with any information request that has been submitted in accordance with these Rules.

5. INVESTIGATING AND ADJUDICATING A BREACH

- 5.1 Any allegation or suspicion of a violation of these Rules shall be reported to the FIE for investigation and possible charge in accordance with the Disciplinary Code of the FIE (Statutes Chapter 7), except as specifically stated herein.
- 5.2 No action may be commenced under these Rules against a Participant for a violation of these Rules unless such action is commenced within three (3) years from the date on which the violation occurred.

6. AMENDMENTS AND INTERPRETATION

- 6.1 These Rules may be amended from time to time by the FIE.
- 6.2 Betting and anti-corruption rules are, by their nature, competition rules governing the conditions under which the sport of fencing is to be held. They are not intended to be subjected to or limited by the requirements and legal standards applicable to criminal proceedings or employment matters. The policies and standards set out in these Rules as a basis for the fight against corruption in the sport of fencing represent a broad consensus of those with an interest in fair sport and should be respected by all courts and adjudicating bodies.
- 6.3 These Rules shall be interpreted as an independent and autonomous text and not by reference to existing law or statutes, except the Statutes of the FIE.
- 6.4 The headings and sub-headings in these Rules are for convenience only and shall not be deemed to be part of the substance of these Rules or to affect in any way the language of the provisions to which they refer.
- 6.5 The Definitions in Appendix 1 shall be considered an integral part of these Rules.
- 6.6 All references to the masculine gender in these Rules shall also include references to the feminine.
- 6.7 If any Rule or provision of these Rules is held to be invalid, unenforceable or illegal for any reason, it shall be deemed to be deleted and the Rules shall otherwise remain in full force and effect.
- 6.8 These Rules shall come into full force and effect on the date specified by the FIE Congress adopting these rules.

MANAGEMENT

§ 1. 1913-1920

The Constituent Assembly of 29 November 1913 appointed Mr Albert Feyerick (†), president of the Fédération Belge des Cercles d'Escrime, as first President of the F.I.E.

Mr Feyerick chose Mr Charles Cnoops (†) as his assistant; Mr Paul Anspach (†) as Secretary-Treasurer; Mr Sarens (†) as his assistant.

The activity of the F.I.E. was completely suspended from August 1914 until the beginning of 1919.

At that time the Central Office, as mutually agreed by all affiliated groups, continued to fulfil the 1913 mandate until the 31st December that followed the Olympic Games of 1920.

After Mr Feyerick's death, Mr Cnoops acted as President of the F.I.E. from the 20th February 1919.

§ 2. 1921-1924

In August 1920, the Congress of the F.I.E., held at Antwerp during the Olympic Games, appointed Mr André Maginot (†) (who was the President of the French Federation) President as from the 1st January 1921. He chose the Marquis de Chasseloup-Laubat (†) as his assistant, Mr René Lacroix (†) as Secretary General, and Mr Lucien Gaudin (†) as assistant Secretary-Treasurer.

Because of the World War, the activity of the F.I.E. was completely suspended as from September 1939. In August 1940, all the archives of the F.I.E. were removed to Berlin by the Gestapo; it was impossible ever to find them again.

The Congress of 1946 in Brussels decided that Mr Paul Anspach's prematurely interrupted mandate would be extended until the 31st December 1948, so that the next Central Office could take office normally on the 1st January just after the Olympic Games.

ANNEX IV

“CHEVALIER FEYERICK” CHALLENGE

WINNERS

1940/1946: Mr Paul ANSPACH (†) (Belgium)

For the sporting and courageous way in which, during the war, he defended the interests and prestige of the F.I.E. in spite of the danger to himself; for the efforts made with a view to safeguarding the autonomy of the F.I.E. and for the work carried out after the war to return it to its former splendour.

1947: French Fencing Federation

For having adopted during the previous year in general, and among other things at the 1947 World Championships in Lisbon, a sporting attitude wholly in line with the development of the true international spirit of the F.I.E.

1948: Mr Emrys LLOYD (Great Britain)

For having, at the 1948 Olympic Games in London where he reached the final of the foil, provided new evidence of his fair play, of his sporting and gentlemanly fighting spirit, giving the example of a magnificent sporting spirit, to which he remained faithful during his long and brilliant career as a fencer.

1949: Not awarded, as the winner did not accept it for personal reasons.

1950: Italian Fencing Federation

For having played a predominant role during 1950 in the activity and development of international fencing, and for having given, through its success at the World Championships, the example of a Federation blessed with boundless energy, due to the selfless devotion of its leaders, and to the remarkable efforts of its fencers.

1951: Mrs Ilona ELEK (†) (Hungary)

For having, by the example of her career as a fencer, full of brilliant successes (three World Championship titles, two Olympic titles) and by the example of her sporting conscience, both as an athlete and organiser, made a useful contribution, in the spirit of the F.I.E., to the international development of women's fencing.

1952: Mr René LACROIX (†) (France)

For having, despite his great age, attended all the deliberations of the F.I.E. from the very beginning until the Conference of 1952, at which he bade farewell officially.

After having pushed for its foundation in 1913, he continued to give of his best in the cause of international fencing for the next forty years; his judicious advice, his provident spirit, the sensitivity of his comments, the perceptiveness of his judgement on the possible consequences of any contentious issue, given unsparingly until 1952, represent for the young fencers of the future the best example of attachment to the F.I.E.
