Important Note: Currently there are no restrictions to enter Egypt from any country in the world. Airport procedure is very simple, as there is only Declaration Form to be filled in and submitted with the copy of the negative PCR test result to the medical control.

You must check with your airline company when the test must be done (it can be different depending on the airlines you will use or your country of departure/transit).

THE FIE OUTLINE OF RISK-MITIGATION REQUIREMENTS FOR NATIONAL FENCING FEDERATIONS AND COMPETITION ORGANISERS IN THE CONTEXT OF COVID-19 (FORMIR – COVID-19) will be fully met and followed and a "Bubble" sanitary principle will be implemented throughout the competition.

- All members of delegations must apply precautionary plan and must comply to all its provisions including but not limited to: providing the required filled in and signed documentation, negative PCR test before mitigation-Outline of risk arrival and in the country, and all sanitary rules of the FIE requirements.
- No spectators other than accredited participants will be allowed.
- The test results will arrive within 12 hours from taking the test.
- Until the test results arrive participants are not allowed to leave their rooms (room service for meals is available)
- After the test results are received, participants are going to be approved for the accreditation.
- Accreditation cards will only be given to participants who filled in and signed appendix B and C and who received a negative PCR test result for covid-19.
- Participants are not allowed to leave the hotel or the competition venue. Leaving without permission is considered as a violation of the rules and will be penalized. Official transfer buses will take participants to and from the hotel. No other means of transport is allowed!

- Any participant tested Positive to Covid-19 will not be authorized to take part in training or in the competition. The participant will be quarantined in the official declared complementary hotel at the expense of the host country. If due to covid-19, a participant has to get or to remain in hospital, the expenses will be covered by the host country (except for the expenses linked to return flight ticket).
