COMPETITION VENUE

Stade Pierre de Coubertin, 82 Avenue Georges Lafont 75016 Paris.

Métro: Porte de St Cloud

Parking: Indigo Point du Jour

PARTICIPATION

Alt 1. For Individual World Cup competitions, each national federation may enter a maximum of 12 fencers. The organising country may enter up to 20 fencers plus the number needed to make up the pools.

Team participation is open to all countries and limited to one team per weapon per country.

ENTRY

Every competitor is required to be licensed for the current season.

No fencer is allowed to take part in an official event of the FIE unless he or she is at least 13 years old on 1 January in the year of the competition.

Entries of fencers, teams and referees can only be made at the FIE website, www.fie.org, respecting the deadlines specified in the FIE Rules (cf. o.54).

ENTRY FEE

Individual competition: **EUR 60**. Team competition: **EUR 400**.

The entry fee is paid at registration before the start of the competition.

REFEREE OBLIGATION

The referees are designated by the FIE and delegations will not have to provide any referees.

FORMULA

Individual competitions – One qualifying round of pools, a preliminary direct elimination table, a main direct elimination table of 64 fencers to qualify for a final by direct elimination.

Team competitions – Integral direct elimination with a direct elimination table which may be incomplete. All places in the table up to 16th place will be fought for. From 17th place onwards teams will be classified, within each round of the table, according to their initial place in the table. The first four teams will be placed in the direct elimination table according to the current official team ranking of the FIE (cf. o.86); the remaining ranked teams will be placed in the table by drawing of lots in pairs. The teams that are not classified will occupy the last places in the table and will be separated by drawing of lots (cf. o.42-o.47).

DOPING

Doping control will be done according to FIE rules.

COVID-19 PROTOCOL

A COVID-19 protocol will be put in place according to the [FIE outlines](#) and the [FFE protocol for international competitions](#).

COVID-19 tests (antigen) will be done at the venue on Thursday.

PCR tests will be available on demand at your expense.

See below for the Protection Plan

I. CONTEXT

The Local Organizing Committee has developed this COVID-19 Protection Plan which establishes the principles, protocols, and general guidelines to be followed by all participants before and throughout the event. This document aims to inform participants about the measures put in place to reduce the possibility of viral transmission to a minimum during the Event.

These measures complement the sanitary requirements prescribed by public authorities.

Please take time to understand the plan and steps you must take and rules you must comply with before you travel and throughout the length of your stay in Paris. It's crucial that you take personal responsibility for your part in the plan. Non-compliance with the rules outlined in the COVID-19 Protection Plan may expose participants to consequences that may have an impact on their participation in the Challenge International de Paris. Repeated or serious failure to comply with these rules may result in the withdrawal of their accreditation and their right to participate in the Event depending on the FIE Supervisor decision.

The health protocol applied to the public will be established according to the obligations presented by the competent authorities.

Given the changing nature of the COVID-19 pandemic, the Event's COVID-19 Protection Plan is a dynamic document that is subject to change in response to any circumstances that may arise prior to or during the Event.

This document is binding to all officials (FIE staff, team officials, judges, guests) and athletes registered for, competing or otherwise participating in the competitions.

Participants must declare their understanding of these requirements and must return a signed copy of the *COVID-19 protection measures declaration*, which is attached as annex A.

Non-compliance with the obligations set out in this protocol may lead to disqualification as detailed in the disciplinary section (*VI. Disciplinary*) of this document.

II. COVID-19 TESTING & PROTOCOLS

1. Protection measures

All participants taking part in the Event are expected to abide by the following practices, regardless of their function and role, in order to protect themselves and other participants:

- Wash/sanitize your hands frequently, especially if you have had contact with another person or an object of common use and when you enter a new area.
- No handshakes. Use a contactless greeting.
- Always wear a surgical mask when outside of your hotel room, changing the mask every 4 hours and/or if the mask is soiled or damp (cf. [World Health Organization guidance on wearing a mask](#)). It is important you make sure you have access to enough face masks (surgical masks) to last through your stay in France. Everyone is responsible for their own supply.
- Proactively monitor their health for any COVID-19 symptoms (World Health Organization Website: https://www.who.int/health-topics/coronavirus#tab=tab_3)
- Always cough into your mask, sleeve or a tissue.
- Maintain social distancing as much as possible (minimum 1,5 meters), especially during mealtimes and on transportation services. Avoid meetings in small areas.
- Practice routine daily hygiene (showering at the start of the day and after physical activity is recommended).
- Sanitize/disinfect personal items frequently, including your mobile phone, accreditation, water bottle, pens, etc.
- Avoid sharing your personal items with others (mobile phone, water bottle, pens, etc.).
- Always wear your accreditation to confirm that you are part of the Event (hotel, transport, and venue).
- Carefully respect all instructions and requirements set forth by the Organizers.
- Strictly follow the Event principle of operations for the best protection of all participants.
- Any activity or travel outside of the Event is prohibited. If an emergency arises, any travel or activity outside of the Event must be declared and validated by the LOC COVID-19 manager (Luc LENGLET - +33 7 64 35 86 15 – lenglet@spartner-agency.com)

2. COVID-19 symptoms

COVID-19 symptoms include the following (refer to the [WHO web page](#) for more details):

- Fever of 37.9 ° C or more
- Cough
- Sore throat
- Shortness of breath
- Muscle pain
- Headache
- Diarrhea and / or vomiting
- Sudden loss of taste and / or smell.

If any participant has symptoms, he/she shall immediately:

- 1) Inform the LOC COVID-19 Manager
- 2) Isolate himself at the official hotel in a separate room
- 3) Have a COVID-19 test at the competition venue (cost to be supported by the participant)

3. Close contact definition

Anyone who shared the same living quarters as the confirmed or probable infected person.

Any person who has had direct face-to-face contact with an infected person, within 2 meters, for any length of time (e.g. conversation, meal, physical contact). On the other hand, people encountered in a public space in a fleeting manner, even if they are not wearing a mask, are not considered to be close contacts.

Any person who has performed or received acts of hygiene or care on/from an infected person.

Anyone who has shared a confined space (office or meeting room, personal vehicle, etc.) with an infected person for at least 15 consecutive or cumulative minutes over 24 hours or who has been face-to-face with them during several episodes of coughing or sneezing.

If a participant is considered as a “close contact” he/she will have to be isolated and tested. If his/her test is negative, the participant can stay in the Event.

Any close contact shall:

- 1) Be immediately placed into isolation in a single room (at their own cost)
- 2) He/she will be taken immediately to a doctor for examination + have an COVID-19 test
- 3) If the test is positive see 6. *Positive COVID-19 test result*

If a team member has a positive test result, his/her entire team will be considered as close contact

4. Vaccination

To be considered as vaccinated, all participants must have been vaccinated with an EMA-approved vaccine or similar. Within the following timing:

- 7 days after the second shot for two-shot vaccines (Pfizer, Moderna, AstraZeneca)
- 4 weeks after the shot for one-shot vaccines (Johnson & Johnson)
- 7 days after the shot for vaccines administered to people who have already had COVID-19 (only 1 dose is necessary)

All persons with another vaccination schedule will not be considered as vaccinated.

5. COVID-19 testing

Testing will be a crucial part of minimizing transmission: used for general screening during the Event; as well as used for diagnosis for close contacts or those experiencing symptoms of COVID-19.

Before being tested, any participant needs to fill the “COVID-19 protection measures declaration” – annex A document

The French government has set up a specific regulation depending on the country each participant will be coming from, depending on the sanitary situation in this country. There are three levels: **Red flagged countries**, **Orange flagged countries** and **Green flagged countries**. In order to know in which level your country is, please check the French government information (<https://www.diplomatie.gouv.fr/fr/conseils-aux-voyageurs/informations-pratiques/article/coronavirus-covid-19>).

The following table summarizes the testing plan put in place for the Challenge International de Paris:

Who?	Purpose?	When?	Which type?	Where?	Turnaround Time?
Everyone	Screening	On arrival	Antigen test	Competition venue	Approximatively 20 min
Person coming from a red flagged country (vaccinated or not)	Screening	Everyday	Antigen test	Competition venue	Approximatively 20 min
Person coming from an orange flagged country (vaccinated or not)	Screening	Everyday	Antigen test	Competition venue	Approximatively 20 min
Person coming from a green flagged country (not vaccinated only)	Screening	Everyday	Antigen test	Competition venue	Approximatively 20 min
Everyone	Symptoms	Any day	Antigen test	Competition venue	Approximatively 20 min
	Close contact	Any day	Antigen test	Competition venue	Approximatively 20 min
	PCR test after a positive antigenic test	Any day	Antigen test	Competition venue	Approximatively 20 min
	Departure test	Saturday or Sunday	Antigen test or PCR tests	Competition venue	Approximatively 20 min (Antigen test) or 24 hours (PCR test)

6. COVID-19 Testing fees

On arrival and everyday tests costs will be supported by the organizers. Departure and other (symptoms/close contact/PCR test after a positive antigenic test) tests will be supported by the participant. Each test will be charged 100€.

To avoid cash exchange during the event, delegations have the possibility to register and pay for engagements (individual and team events) online, via HelloAsso : [CLICK HERE](#).

Registered fencers receive an QR code that they will need to bring with need to complete their engagement on-site. If delegations still want to pay cash on site, it will be possible as usual, but we strongly advise to register on this website as well to receive a QR code and to limit interactions.

7. Positive COVID-19 test result

In the case of a participant gets a positive result for COVID-19 after an antigen test, he/she will have to take a PCR test. If a PCR test is positive, he/she will:

- 1) Be immediately placed into isolation in a single room (at their own cost)
- 2) He/she will be taken immediately to a doctor for examination
- 3) Depending on the doctor's examination conclusion, actions to be followed will be defined

If a participant has a positive PCR test, he/she will have to be placed in an isolation room at the expense of the participant / travel insurance if applicable, or at the designated hospital if needed. He/she will not be allowed to return to their country of origin until their isolation period has been completed.

The LOC COVID-19 Manager will follow up on the patient's situation directly with the relevant Team Manager.

All individuals placed in isolation should be isolated for 7 days and not have any contact with any other individuals during that period. As per France's local regulations, if the participant has a negative PCR test after 7 days of isolation, then the participant can stop his/her isolation.

As a result of any isolation periods, the LOC will liaise with the hotel and support the National Federation with requirements. **Participants must ensure they have appropriate medical insurance to cover routine medical healthcare, including COVID-19 care, hospitalization and, in case of isolation, that such insurance cover has no exclusions or limitations regarding the length of stay, as all costs related to a positive COVID-19 will have to be borne by the participant.**

8. PCR test result communication

Test results will be communicated to the participants by email and text message.

9. COVID-19 testing area and opening hours

The COVID-19 testing area for the Event will be located on the first floor of the competition venue.

Testing area will be open as below:

- Wednesday 12th January: 12.00pm – 8.00pm
- Thursday 13th January: 8.00am – 8.00pm
- Friday 14th January: 4.00pm – 7.00pm
- Saturday 15th January: 4.00pm – 7.00pm
- Sunday 16th January: 7.00am – 10.00am

III. PRIOR TO ARRIVAL

The journey does not begin upon arrival in France. Starting now, participants should ensure they take time to read and understand the steps that must be followed prior to their arrival in France. All Event participants should:

- 1) Book accommodation and transportation through the LOC – teamservices@spartner-agency.com.
Any delegations not following this procedure will be denied access to the competition.
- 2) Read this document and fill the Annex A document and send it back to – teamservices@spartner-agency.com.
- 3) Monitor their health status continuously, including taking their temperature and monitoring for any symptoms (World Health Organization Website: https://www.who.int/health-topics/coronavirus#tab=tab_3) from 14 days before the Event.
- 4) Limit their social interactions as much as possible from 14 days before the Event.
- 5) Make sure they know the latest information regarding COVID-19 testing and certificates required by their airline/train company.
- 6) Make sure that they have completed the necessary steps should they need to apply for a Visa and/or Compelling Reason to travel to France.
- 7) Have travel insurance that covers COVID-19 care.

IMPORTANT:

All participants must meet all the above requirements as well as the “Arrival” procedures to enter France.

DO NOT TRAVEL TO FRANCE IF YOU:

- Experience any COVID-19 symptoms within 14 days prior to departure
- Are self-isolating as a result of COVID-19 symptoms or have been in contact with someone who has had symptoms
- Have had a positive PCR test within 14 days prior to departure

IV. ARRIVAL

Upon arrival, participants must observe the instructions of the French authorities and be ready to show to immigration all documents needed.

From the airport or the train station, participants will be transported to the competition venue for the mandatory upon-arrival Antigen test.

V. DURING THE EVENT

1. Transport

During transport, all participants must respect the following requirements:

- Wearing a surgical mask is mandatory within official Event transportation.
- No food/drinks are allowed in transportation.
- All participants are required to sanitize their hands before entering the vehicle.

All vehicles will be disinfected at the end of each journey. At the end of each day vehicles will be thoroughly disinfected. Drivers will ensure they have a clean and disinfected vehicle between each trip. Whenever possible, they should open windows of the vehicle to facilitate ventilation. Every vehicle will be large enough to respect social distancing. Different groups will not be mixed.

During arrival and departure, participants will have to carry their own bags - the driver will not be allowed to touch them. Upon arrival, participants will be transported in the Event official transport shuttles to the competition venue for their Arrival COVID-19 Antigen test.

IMPORTANT:

All participants must use the official transportation provided by the LOC for arrival/departure and no other private or public transportation means.

2. Accommodation

The official hotel will not be exclusive. Participants are strongly recommended to not enter room of other participants (except for Physiotherapy treatments). The use of masks is mandatory in the hotels' common areas. Physical distancing measures will be implemented throughout the hotel. Sanitizing stations will be displayed near the front entrance and in the common areas. Increased cleaning and disinfecting frequency throughout the hotel, paying attention to frequently touched items. Housekeeping team will change towels and ventilate the room. Participants will have the possibility to display a door hanger should they not wish to have housekeeping enter their room. Hotel staff will follow the hotel protocols.

Dining areas:

- Use hand sanitizer when entering the dining area.
- Wear masks at all times, except when eating or drinking.
- Social distancing must be respected at all times.
- Tables will be spaced apart and participants should not move the tables and/or chairs.
- It is advised that members from different teams do not share tables.

3. On venue catering

A refreshment bar will be available in the competition venue for participants, in a specific and exclusive area. Catering staff members will wear face masks at any time and will serve each participant. Specific flow/pathway will be organized in order to reduce gathering. Participants must wear facemasks until they sit in the “Teams” areas in the grandstand. Social distancing must be respected at all times. After receiving their refreshments all participants must stay and eat in the “Teams” area in the grandstands. Anyone not eating or drinking must wear a mask.

4. Operation

Competition:

Competition will be held in the Stade Pierre de Coubertin: 82 Avenue Georges Lafont, 75016 Paris. Participant will have full access to -1 level (locker rooms, training and competition facilities, weapon control area, Judges DT, call room). On 0 level, a specific area in the grandstands will be reserved for teams and participants. On +1 level, there will be the testing area.

Training:

Training will be in the same stadium as the competition. Training in the venue won't be possible on Thursday.

Fencing gear suppliers:

As they're located in the entrance hall, fencing gear suppliers will only be available outside of the public opening hours. We strongly encourage you to contact the suppliers before the event to place an order and pick up your order on Thursday. The following suppliers will be present at the venue: Leon Paul, Escrime Diffusion, Prieur, Planète Escrime and Royal Escrime.

Participant must respect protection measures (see II/ 1. *Protection Measures*) at all times.

VI. DISCIPLINARY

French authorities are allowed to control if the Sanitary Protocol is followed by all participants. All failure to adhere to the Sanitary Protocol may result to a 1500€ fine (up to 3000€ if recidivism). FIE is prepared to take any decision, including imposing sanctions if the reputation of FIE or COVID-19 protection measures are jeopardised, to ensure that the health, safety and security of participants is not comprised during the competition.

The failure to adhere to any of the obligations contained in this protection protocol may result in the immediate **disqualification** of the participant from the competition. In the Event of disqualification, the participant shall immediately lose access to any competition or practice venues and shall not be permitted to interact with other participants.

Disciplinary decision will be handled by the organising committee with the FIE Supervisor approval.

Annex A

COVID-19 protection measures declaration

I confirm that I have read and understood the Event protection plan.

I acknowledge the risks of COVID-19 and that, even with the protocols implemented by the Local Organizing Committee and local authorities, there is still a risk. I confirm my understanding that my participation in the Challenge International de Paris is at my own risk. I acknowledge that the Local Organizing Committee can request proof of vaccination at all times.

I expressly agree that neither FIE nor the Local Organizing Committee shall have any liability whatsoever in the event that I contract COVID-19 during the competition, and that I carry the relevant insurance coverage to cover any medical costs associated to COVID-19 or any other illness or injuries. I understand that in the case I test positive, or I am considered a close contact of a positive case, the decisions of the local authorities shall prevail over this protocol.

I acknowledge and agree that testing and daily health monitoring for COVID-19, can be performed on-site and that any and all results or other related health data including pathology and specialist reports may be collected by FIE or medical personnel engaged by FIE or Local Organizing Committee at the venue, where needed, and such information may be shared with FIE, and that costs of such additional tests will be at my own charge.

I understand and consent that the use of my personal data will be in compliance with the General Data Protection Regulation (GDPR) and all relevant French legislation. I acknowledge that FIE has legal basis for holding and processing my personal data as it is in FIE's legitimate interest for the protection of my health. I have been advised that my personal data will not be shared with any other third parties except the medical expert engaged by Local Organizing Committee and the related local authority and will be destroyed by FIE following the conclusion of the Challenge International de Paris.
