COVID19 Protocol

Following the rules of the Egyptian government and applying the FORMIR guidelines of the FIE the following protocol will be enforced:

1. Rapid Antigen Test (RAT)

Every participant must undergo a Rapid Antigen Test (RAT) at the hotel upon arrival. The tests are free for all the delegations and referees. **Supplementary people must pay for the tests.**

Identification of tested people is done via a bracelet. Losing the bracelet will require retesting for a fee (65 euros).

Being present in the weapon control and in the competition without above mentioned bracelet is associated with not having been controlled. It is an infringement to Covid regulations and may be pursued by law enforcement. Authorities have the right to control at any moment.

Also note that the validity of the RATs done at the competition are only valid for the event.

2 . Departure Test

If you need a departure test you will need to make a reservation with the Organizing Committee.

According to your home country regulations and test requirements, a test will be done on your own expenses. Noticing that the **Antigen test costs 25 euros, PCR test costs 65 euros.**

To guarantee that we will be able to handle the required testing volume you need to obligatory indicate the number / type of the required tests by February 18, 2022 latest.

We will then confirm you this number and send you a form where you will need to put in the names of the people to be tested. You will need to send us this form by February 18th 2022 latest.

No test can be guaranteed that had not been registered within the deadlines.

3. Positive RAT

The Organizing Committee is required to transmit the full dataset of every person tested positive to the authorities. Legislation requires that persons tested positive be isolated immediately. The isolation will last until the authorities lift it or a negative PCR-test is available .

If a RAT returns positive the tested person must immediately go to his room. If there is enough time a PCR test will be done to control the result of the RAT.

No PCR can be done on Friday after 17:00.

Hence if a person tests positive at a RAT after these deadlines the result is final and the person must stay in the room until further notice.
