2. SANITARY MEASURES – COVID 19 / Specific Rules

We are all aware of the impact of Covid-19 on sports events. Therefore, Fencing Grand Prix Qatar 2022 will be organized differently than the previous editions. All participants must strictly respect the following sanitary measures instructed by the Ministry of Public Health (MOPH).

As per instructions received by our local authorities and subject to be amended depending on the COVID-19 pandemic evolution, please find below all information received as **per 18/01/2022**.

All updates will be communicated directly all participant countries as soon as we will receive an official communication.

This competition will be organized in a **“bubble” system**.

“Bubble” is an umbrella term for the isolated Competition Venue, the Hotel, and buses in the transportation of the Delegations.

Participants are not allowed to leave the “bubble” between arrival and departure from the official hotel.

Due to the followed Protocol’s epidemiological provisions, the probability of a COVID-19 infection is very low within this bubble.

No external spectators will be allowed to the competition venue

Only accredited participants are allowed to enter in the venue

Accredited participants are allowed as spectators.

All people, regardless of their country of origin, whether they are vaccinated or not, will be allowed to come to Qatar (see conditions below)

All participants must perform a PCR test at least 72 hours before arrival schedule in Doha Airport. Dual passport holders must use the same passport they have travelled with for the PCR test.

Stay in Qatar

- Vaccinated participants & non-Vaccinated participants regardless the country of origin will be tested with a **Rapid Antigen Test** upon arrival in the official hotel.
- All participants will be isolated in their hotel room awaiting the test results (max 1 hour for Rapid test)
- Participants can start training sessions if the result of their Rapid Antigen Test for COVID-19 performed in hotel upon arrival is negative.
- In addition of the Rapid Antigen Test performed upon arrival, all participants must perform a second Rapid Antigen Test 3 days after arrival (in case of early arrival) or before competitions. Participants with a negative test result will receive an identification bracelet which allows them to participate in the FIE event.
