

Dear President,

Decisions of the Executive Committee

Following the Executive Committee meeting held via videoconference on 12 February 2022, please find below and appended the decisions made:

1. Working groups

The Executive Committee has created the following working groups:

Olympic Games qualification system

The group will be composed of 8 members. It will be responsible for analysing the qualification system in order to determine areas for potential improvement and ways of implementing them, then for presenting the proposals to the Executive Committee, taking into account the following principles:

- to maintain all the achievements made by fencing at the Olympic Games
- to comply with all the principles of the Olympic Charter and IOC guidelines
- to explore the efforts to be made and the strategy to be implemented, in order to be in a position to make realistic requests

- An Executive Committee member, heading the group: Emmanuel Katsiadakis (MH, GRE)
- The President of the Legal Commission
- Africa: Tunisian Federation
- Asia: Korean Federation
- Europe: Serbian Federation
- Pan-America: Venezuelan Federation
- Oceania: Australian Federation
- A member of the Athletes Commission.

Competitions calendar

The group will be composed of 9 members. It will be responsible for analysing the calendar and presenting potential improvements and reviews to the Executive Committee.

- An Executive Committee member, heading the group: Paolo Azzi (ITA)
- The five Presidents of Confederations
- A member of the Athletes Commission
- A member of the Refereeing Commission
- A member of the Coaches Council

Fencing and the Environment

The group will be composed of 8 members. It will be responsible for analysing the impact of fencing on the environment and providing the Executive Committee with suggestions regarding the implementation and monitoring of individual and collective measures and a plan of measurable and sustainable actions.

- An Executive Committee member, heading the group: Ana Irene Delgado (PAN)
- A member of the Medical Commission
- A member of the PCM Commission
- Five federations (one per continent): at the proposal of the President of each Confederation

Handbooks of regulations

The group will be composed of 5 members. It will be responsible for reviewing the various handbooks of regulations in order to adapt and update them and draw up optimum working documents for organisers.

- An Executive Committee member, heading the group: Velichka Hristeva (BUL)
- A member of the Rules Commission
- A member of the Medical Commission
- A member of the Refereeing Commission
- A member of the SEMI Commission

A member of the FIE staff will be assigned to each working group.

2. FIE Administrative Rules

The following articles have been amended: 3.1.2 and 5.1.2.

3. Outline of Risk Mitigation Requirements

The outline of requirements has been updated and can be found on the FIE website at:
<https://fie.org/fie/documents/other-documents>

Alisher Usmanov
President
