

Dear President,

Decisions of the Executive Committee

The Executive Committee made the following decisions during its meeting of April 28, 2022, and by consultation of May 2, 2022:

1. 2022 Senior World Championships in Cairo

Please find attached the schedule of competitions, as well as the list of officials and referees appointed by the Executive Committee.

2. 2023 Junior and Cadet World Championships

The federations that had announced their possible candidature for the organisation of the 2023 Junior and Cadet World Championships at the 2021 Congress either withdrew or did not proceed further. Therefore, with less than a year to go before the Junior and Cadet World Championships are due to be held, and in application of Article 10.2.1. f) of the FIE Statutes, the Executive Committee has appointed the Bulgarian Fencing Federation to organise the 2023 Junior and Cadet World Championships in Plovdiv.

3. FIE Administrative rules

Following Information Letter 7-22, the articles 9.1.1.3, 9.2.1.5, 9.2.3 and 9.4.6.2 have been amended.

4. Competitions calendar

The working group has prepared a draft reform of the calendar, which will be finalised in the coming months. This reform will be carried out in consultation with the federations. In order not to disrupt the Olympic qualification which will start in April 2023, the reformed calendar will only be applicable from September 2024, i.e. after the Paris Olympic Games.

The 2022-2023 season calendar is being finalised with the organising federations and will be submitted to the Executive Committee for approval on 28 May 2022.
