2) Registration to the competition (accreditation process):

Every participant must undergo a RAT (rapid antigen test) after arrival and again four days after arrival. This operation is subsidized by the FIE. The tests are free to athletes, coaches, officials and referees. People with a negative test result will receive a bracelet as Identification after presentation of the negative test result. Only people with valid bracelet will be able to enter training and competition. Authorities will be able to control at any moment. **Tests will be available to be done in Novotel hotel near the lobby between 13:00-22:00 on Thursday and between 06:00-11:00 on Friday.**

The length of the isolation is regulated by the actual rules of the Polish government.
