## **4. Measures of authorized identifications**

In order to make the rules currently in force clear and to ensure an equal advertising surface for everyone and to make the control of advertising logos and technical marks simple and unambiguous, a system similar to the one used by the IOC during the Olympic Games and illustrated in the attached document will be adopted starting from the season 2022-2023.

The Congress documents will be the subject of a further information letter.

**Emmanuel Katsiadakis (MH)**  
**Interim President**
