INFORMATION FOR ATHLETES

FENCING HEALTH PROGRAMME DURING WORLD CHAMPIONSHIPS IN KAZAN

During the World Championships in Kazan (July 15th 2014 – July 23rd 2014) all participating athletes will have an opportunity, strictly voluntary, to examine their health.

All examinations and tests will be provided by “Государственной Поликлиника Номер 4” (State Clinic Nr.4), “Студенческой Поликлинике” (Student Clinic), 420059, Kazan, Оренбургский тракт 95 (Orenburg street 95), tel. [\(843\) 2375968](tel:+78432375968), [\(843\) 2379956](tel:+78432379956)

Tests available free of charge during World Championships in Kazan:

- Echo Doppler – room Nr. 130 (test duration 30 min)
- Dynamic EKG – room Nr. 228 (test duration 15 min)
- Cardiac Stress Test – room Nr. 229 (test duration 45-60 min)

“Student Clinic” opening hours:

15.07. - 20.07. 8.00 - 20.00 (- 22.00 if needed)

21.07. - 23.07. 15.00 - 22.00

“State Clinic Nr.4” was the official Medical Center for Student Games and is located in the Student Games village where the World Championships will be held. The clinic is experienced in athlete health examinations during competition.

**THIS INFORMATION WILL BE PROVIDED TO ALL PARTICIPATING ATHLETES OF
WORLD CHAMPIONSHIPS IN KAZAN ON INFORMATION DESK IN COMPETITION HALL
AND IN TRAINING HALL**
