

**Dear President,**

**Anti-doping administration**

We would like to inform you that the FIE has decided to outsource its anti-doping administration to SportAccord. Whereas the FIE remains fully responsible for every aspect of the anti-doping programme, the staff of SportAccord's Doping-Free Sport Unit (DFSU) will now handle the administrative aspects on behalf of the FIE and work in close cooperation with the FIE Anti-Doping Commission to do so.

Therefore, we kindly request you to take note of these changes and only use the following contact details to communicate with the FIE when carrying out your activities in the FIE anti-doping programme, such as liaising with NADOs for in-competition testing at FIE competitions in your country, ensuring the Doping Control Forms (DCFs) related to any such tests are forwarded to the correct address, and, if you have any fencers in the FIE RTP, ensuring for example that they submit their whereabouts in ADAMS.
