Affiliation

The FIE Executive Committee has pronounced the provisional affiliation of the **Albania Fencing Federation (ALB)**. The FIE now has 144 member federations.

Support to the federations

The urgent support provided to the hosting federations in 2011 will be provided again in 2012 as follows:

Each federation hosting a Senior World Cup or Grand Prix will receive from the FIE a grant, up to a maximum of 4,400 Euros, to contribute to the expenses linked to the wireless system or the video-refereeing system.

This grant will be paid only once, regardless of the number of competitions organised by the national federation. The concerned federation must send a copy of the invoices (video-refereeing or wireless system) to the FIE financial service so that a bank transfer can be arranged.

This support will also be provided to the hosts of OG qualification competitions in 2012, who do not already receive this grant for another of their competitions.
