Visa Support:

Since Croatia is a part of EU Schengen zone, we suggest all fencers requiring Visa to ask for a tourist visa, considering that our Ministry of foreign affairs started to charge a process for sport visa.

In case you can't apply for a tourist visa, we will help you with the process for sport visa and will charge you only for the cost that is required by our Ministry of foreign affairs.

Please check your visa status here:

<https://mvep.gov.hr/services-for-citizens/consular-information-22802/visas-22807/22807>

We recommend applying for Visa before August 15th 2023.

Based on our experience so far, 60 days is enough for Visa to be issued in most cases. Croatian Fencing Federation can provide technical assistance in this process but we can't guarantee for any athlete or other member of delegation to receive Visa.

The athletes are competing on their own risk. The Organizers are obligated to assure the first aid health care but without any further responsibility. The Organizers have no responsibility for lost or stolen properties.
