

FIE GRAND PRIX CALI 2024

Men's & women's épée:
3-5 de mayo de 2024

Dear friends,

It is a great pleasure to invite the global fencing community to our 2024 Cali Grand Prix on behalf of the Colombian Fencing Federation, which will be held in the city of Cali from May 3 to May 5, 2024.

Cali is situated in the department "Valle del Cauca" in the Southwestern part of Colombia. The city is famous in South America for being the "capital of sports" as it has organized numerous inter-continental and international sport events, including the Pan American Games, World Games and many other World Championships in disciplines such as swimming, football, basketball, cycling. The people from here are known for their hospitality, and warmly welcome to all athletes.

Cali is also a famous city, for having the world's most popular salsa dancing. Cabaret style Salsa shows are a hit with Colombian and overseas visitors. Obligatory stop-over on the way to the Pacific coast, the city is the gastronomical and business epicenter of the Colombian Pacific. Cali enjoys a tropical climate with a refreshing breeze blowing from the Pacific coast in the early evening which makes this the perfect time for a walk through the old town where you can appreciate the beauty of its colonial past and the world famous beauty of its women.

SECURITY AND HEALTH

The organization of Cali Grand Prix FIE provides the necessary security for the tranquility and well-being of our visiting athletes. However, we ask that you avoid bringing jewelry, objects of sentimental or economic value to the place of competition or that they will not be properly guarded (hotel security boxes).

HEALTH

With regard to health, the Cali Grand Prix FIE organization ensures medical service in the place of competition. In the same way there is an agreement with a competent clinic where athletes will attend, with priority attention, in case of accident or impending need. The transfer of the same will be done in the ambulances of the committal. It is OBLIGATION of the athlete and his team to travel with the respective policies so that they obtain the appropriate service.
