

THE COLOMBIAN FENCING FEDERATION
Has the honor to invite you to the
FIE JUNIOR FOIL MEN'S AND WOMEN'S WORLD CUP
individual and team competitions, which will take place in
Bogota, Colombia
from November 30 to December 2, 2024

Bogota, officially Bogotá, Capital District (it is the capital of the Republic of Colombia and the department of Cundinamarca).

It is the third highest capital in the world (after La Paz and Quito), since it is located at an average of 2625 meters above sea level. It is located in the center of Colombia, in the natural region known as the Bogota savannah, which is part of the cundiboyacense plateau, formation located in the eastern mountain range of the Andes.

The city's airport, El Dorado International Airport, named after the mythical “The Golden One”, has the largest volume of cargo transported in Latin America, and is the first to South America number of people.

It is the city in Colombia with the largest number of universities (114) and research centers. It has a wide cultural offering represented in a large number of museums, theaters and public libraries, which has granted it the recognition of the "Athens of South America."

The average temperatures in Bogotá for the month of November are 18° / 12°C

In Colombia the common voltage is 110 V. The frequency is 60 Hz. The plugs and sockets are of type A / B.
