I have been refereeing Nationally and Internationally for more than 30 years and currently serve a third term on the FIE Refereeing Commission. I am proud to report that mine and my colleagues' efforts to establish policies that guarantee equal gender opportunity have led to having minimum 30% representation for each gender in all major events. In my every day life I am coaching and running a club in Pittsburgh, PA for the last 27 year. I have lead and continue to enjoy the opportunity to teach programs and classes for fencers 7-77yo.

I am a mother, wife, grandmother, fencing coach, referee, gardener, yogi, dancer, boxer and a devoted pet lover.

I am asking for your vote because:

- I have refereed in two weapons at the highest stage of our sport
- I have worked as a RC delegate in all weapons at all levels of competition
- I have proved time and time again that I act and make decisions based only on principle and fairness
