Venue

Places to visit in Nusa Dua – Bali

Devdan Show

The Devdan Show is not only our absolute favourite thing to do in Nusa Dua, but it's also one of the best cultural performances we've seen in Bali.

The mesmerizing production showcases the diverse cultures of Indonesia, taking you on a journey through the islands of Bali, Sumatra, Java, Borneo, and Papua.

Nusa Dua's best beaches

Nusa Dua's beautiful white sand beaches and calm azure waters are one of its biggest draws. The area is home to some of the most beautiful, accessible, and cleanest beaches in Bali – mostly thanks to the many high-end beachfront resorts that help to maintain them.

Two Islands

Did you know that “Nusa Dua” translates to “Two Islands?” The area was named after the two small islands that protrude out from its coastline – Peninsula Island and Dharma Island

Museum Pasifika

Museum Pasifika is a modern gallery in Nusa Dua that's home to the largest collection of Asia-Pacific artwork in Asia.

The museum holds over 600 artworks by 200 artists from 25 different countries. The one thing all of the artists have in common is that they all lived in the Asia Pacific and were inspired by the region in their work.

The Bali Collection

The Bali Collection is a spacious outdoor shopping and entertainment complex in the IDTC area of Nusa Dua. Set amongst a lush green park, the mall is home to a variety of shops, market traders, restaurants, and bars.

Gunung Payung Beach

If you want a change from the beaches of central Nusa Dua, head just 15 minutes south to Gunung Payung Beach on the Bukit Peninsula's southern coast.

Surrounded by limestone cliffs, Gunung Payung Beach is a tranquil secluded beach with pristine white sand, clear blue waters, and amazing natural caves.

Water Blow

Located on Peninsula Island, the Nusa Dua Water Blow is an amazing natural phenomenon where the waves crash through a hole in the volcanic rock and surge high into the air, reaching crazy heights of up to 30 meters.

At high tide, the mighty waves soak everyone in the area – a refreshing way to cool down from the intense Bali heat and keep little ones entertained for a while.

Water sports

Sitting on the small peninsula in the north of Nusa Dua, the area of Tanjung Bena is known as Bali's watersports hub.

You can enjoy a huge range of exciting water sports activities, including surfing, snorkeling, scuba, jet skiing, waterskiing, banana boats, flying fish, parasailing, and more.

Garuda Wisnu Kencana

The park is home to the iconic Garuda Wisnu Kencana statue, which at 121-meters tall (including the base) is the tallest statue in Indonesia and one of the tallest in the world.

The statue sits within a 60-hectare cultural park where you can learn all about Balinese culture through its museum, amphitheatre, huge sculptures, and a packed schedule of daily cultural performances (including a Kecak dance each evening at sunset).

and there much more you can explore...
