Please find attached the list and candidacies per weapon, presented by national federations, for the FIE Athletes Commission election which will take place during the 2025 senior World Championships.

We kindly request all the federations to encourage the athletes who will be participating in the World Championships to take part in this voting.

In accordance with the FIE Statutes, the voting will be open for all weapons and will begin on the first day of the 2025 senior World Championships and will end at noon local time on the last day of the World Championships.

An FIE voting stand will be opened at the competition site, and the times will be as follows:

22 to 29 July 2025: 09h00 - 17h00  
30 July 2025: 09h00 - 12h00

The athletes participating in the 2025 Senior World Championships will personally go to the FIE voting stand in order to proceed with the vote, after having verified their identity by presenting their accreditation. Voting will be conducted electronically on tablets.

Each participating athlete may vote for seven athletes maximum, among the list of athletes presented by national federations, whatever the weapon the athletes are applying for.

The seven candidates who have received the greatest number of votes will be elected, without distinction of weapon.

In case of a tie, the candidate who has the highest placing in the world senior ranking on the date of the opening of the 2025 senior World Championships will have the preference.

The federations will be informed of the results of the Athletes' votes at the closing ceremony of the 2025 Senior World Championships.

The Executive Committee, at its first meeting after these senior World Championships, will nominate up to five athletes among the list of athletes presented by national federations.

If the submitted candidacies allow it, all six weapons and four zones (Europe, America, Africa and Asia/Oceania) must be represented within the Commission.

**The Athletes Commission will meet online, on 9 October 2025 at 13:00 CET, to elect its President and to prepare its working calendar.**

The procedure for electing the President of the Athletes Commission is the same as for the other commissions (cf. article 6.2.2 of the Statutes).
