

Dear Presidents and Secretaries General,

Following the decision of the FIE Congress to amend the FIE Statutes, and in particular **Article 10.1 – Official Competitions of the FIE**, whereby Cadet World Cup Competitions were added to the list of official FIE competitions, the FIE wishes to provide the following clarification.

As a consequence of this statutory amendment, all Cadet competitions are now considered official FIE competitions.

Accordingly, this status automatically applies to Zonal Junior and Cadet individual competitions, including the mandatory use of the FIE Cadet Individual Ranking for individual events.

This clarification is issued to ensure uniform application of the amended Statutes and consistent implementation across all zones and competitions.

Should you require any further information, please do not hesitate to contact the FIE Secretariat.
