PASCAL TESCH

President of the EFC European Fencing Confederation

It is a great honor to welcome you to Antony for these European Championships.

We gather in a very special year, as the French Fencing Federation celebrates 120 years of dedication to our sport. For more than a century, France has helped shape the traditions, the values, and the excellence of fencing in Europe and across the world.

For me, this moment is also personal. Not far from this venue, I became a maître d'armes instructed by France's finest. Returning here today, surrounded by Europe's best athletes, reminds me how fencing connects generations, masters, and students through a shared passion.

These championships are more than a competition. They are a celebration of respect, friendship, and the unity of the European fencing family.

Let us honor the legacy of those who built our sport and inspire the new generation who will carry it forward.

I wish all athletes the greatest success.

Honneur aux armes, respect au maître et gloire aux escrimeurs.

RÉMY DELHOMME

President of the French Fencing Federation

The French Fencing Federation is delighted to welcome all the European delegations to the 2026 Senior European Championships, which promise to be as spectacular as they are exemplary, both in terms of sport and organization, media, and human aspects. Since the Paris 2024 Olympic and Paralympic Games, fencing has confirmed its central place within the international sporting movement. The 2026 European Championships in Antony will extend this momentum and legacy while also celebrating the 120th anniversary of the French Fencing Federation in a prestigious manner. The city of Antony is a renowned fencing center within Greater Paris, equipped with modern facilities and a committed associative network. These European Championships will therefore undoubtedly be an event of excellence.

Welcome to European fencers, in peace and fraternity, and long live fencing and its values of courage, perseverance, resilience and respect.

VINCENT CIROTTEAU

President of the Organizing Committee Antony 2026

On behalf of the Organizing Committee, we have the great honor to invite you to participate in the 2026 Senior European Fencing Championships, which will take place from Monday 15 to Sunday 21 June 2026 at the Complexe Sportif Éric Tabarly in Antony, France.

Organized in cooperation with the Fédération Française d'Éscrime and the European Fencing Confederation, this competition will bring together the European elite of the three weapons for a week dedicated to sporting excellence, respect, and the core values of fencing.

This edition is fully part of the Olympic cycle leading to the 2028 Summer Olympics in Los Angeles and will represent a major event in the international fencing calendar.

We look forward to welcoming delegations, athletes, coaches and officials for this major international event.
