Teams that qualify for the 2007 World Championships  
Reminder of decisions taken during the 2005 Congress

**Dear Presidents,**

---

**o.65.1**

At the **Open World Championships**, entries are limited to four fencers per weapon per nation for the individual events and one team per weapon per nation for the team events.

**o.65.2**

The **number of teams** qualified is limited to 16 teams, according to the FIE Official Ranking, plus 16 teams allocated between the different zones, according to the FIE Official Ranking as follows : six from Europe, four from America, four from Asia/Oceania and two from Africa.

Should **the organising country** not have a team qualified, it will automatically have a place among the 16 teams allocated between the different zones. In case of **non-participation** of a team, the next one in the ranking qualifies.

---

Please find attached the list of teams that qualify for each weapon. No other team may enter or participate in the 2007 World Championships.

**The qualified teams which will not participate in the World Championships must inform the FIE within 48 hours.**
