## LETTRE URGENTE DE LA FIE

**Dear Presidents,**

The Portuguese Fencing Federation has just informed us that due to a lack of sponsors, it is forced to cancel the Junior Women's Foil competition that was due to take place in Loures on 17 November 2007.

The 2007-2008 calendar has been modified on the FIE website accordingly.

The Executive Committee has agreed to the provisional affiliation of the Namibian Fencing Federation (NAM). The FIE now has 124 national member federations.

Président
