B) Details concerning the national colours on clothing (Information letter 11-05)

The designs of national colours (logos) of national federations on athletes' clothing **are compulsory on both legs** ; they are facultative on the arm(s). **Date of application : starting from the 2005 World Championships in Leipzig.**

The designs of national colours must be identical for all the fencers of a same federation. We remind you that designs of national colours must be submitted to the Executive Committee for approval, and are then published on the FIE Web site. The national federations, which have not yet submitted their logo and have athletes participating in official FIE competitions, must urgently send the designs of their national colours to the following e-mail address : info@fie.ch. **The non-respect of the above dispositions will prevent your fencers from participating in competition because of material non-conform.**
