1) Mask with transparent visor

LETTRE URGENTE DE LA FIE

Ladies and Gentlemen,

A large number of national federations informed us of their difficulties to get supplies of masks with transparent visor.

By urgent consultation, the Executive Committee has therefore decided to limit the wearing of transparent masks **for the 2005-2006 season** as follows :

Women's and Men's Foil and Epee :

- **at all the stages** of Grand Prix competitions, Team World Cup competitions, Individual and Team competitions of Senior World Championships
- application : **starting after** the 2005 Leipzig World Championships.

The wearing of mask with transparent visor is therefore not compulsory at Foil and Epee for the 2005 Leipzig World Championships.

Women's and Men's Sabre : the decision communicated in the information letter 01-05 and the urgent letter 06-05 remains unchanged. We remind you that mask with transparent visor must be worn at women's and men's sabre as follows :

- **at all the stages** of Grand Prix competitions, Team World Cup competitions, Individual and Team Cadet, Junior, Senior and Veteran World Championships.
- Application : as from 1st March 2005.
