## LETTRE URGENTE DE LA FIE

Ladies and gentlemen,

### 1) Competitions at senior men's foil, Cairo (EGY)

The Egyptian Fencing Federation has just informed us that due to financial difficulties, it is not able to organise the individual men's foil Grand Prix competition that was to be held on March 13 and 14, 2004. It nevertheless wishes to maintain the organisation of the team competition, but at the date of March 13, 2004.

The FIE Executive Committee, after being consulted, decided to maintain the team men's foil competition since it counts for the Olympic qualification. The change of date has also been accepted.

**The GP competition is thus cancelled for the 2003-2004 season and the team competition will be held on March 13, 2004.**

### 2) Junior women's épée, Ashkelon (ISR)

The Fencing Federation of Israel has requested to modify the date of its junior women's épée tournament to March 13, 2004, instead of March 14, 2004, so that it be held at the same time as its junior men's épée competition.

The FIE Executive Committee, after being consulted, decided to accept the change of date.

**The junior women's épée competition will thus be held on March 13, 2004**

The calendar page on the Internet web site has been modified accordingly.
