LETTRE URGENTE DE LA FIE

Ladies and gentlemen,

Following the various questions addressed to us regarding the designs on national clothing, and more specifically regarding the Adidas brand), please find below the following precision:

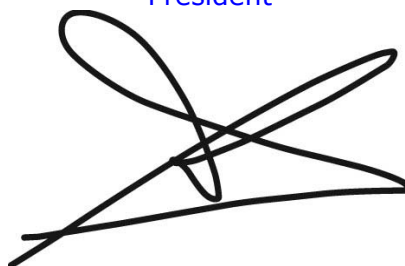

It is necessary to make a distinction between the **registered brands** (the Adidas brand is made of 3 stripes of one cm thickness, with 0.9 cm space between the stripes), and the **graphics (or elements of graphics)** used for the designing of clothing.

The FIE Executive Committee accepts the designs of national clothing displaying a graphic design that **includes** the logo of the national colours (the graphic design cannot be identical to a registered brand).

Please find attached :

- the Olympic games replacement procedures for team events;
- the rules for the placement and drawing of lots for the individual and team events in the Olympic Games.
