LETTRE URGENTE DE LA FIE

Ladies and Gentlemen,

a) Junior Competitions in Havana (CUB)

We have just been informed by the Cuban Fencing Federation that it will not be able to organise the 6 Junior Competitions to be held in Havana from 10 to 12 December 2004 for force majeure (hurricane, heavy rain, etc), which caused damage to several installations.

These competitions are therefore cancelled for the 2004-2005 season.

b) Junior Competitions in Montreal (Laval) (CAN)

We have just been informed by the Canadian Fencing Federation that Junior Competitions will be organised in two days instead of three for economical reasons, according to the following programme :

- Men's Epee, Women's Foil and Men's Sabre : 22 January 2005
- Men's Foil, Women's Epee and Women's Sabre: 23 January 2005

The page of the official calendar on the FIE Website has been modified accordingly.
