**According with the material rules available on the site [www.fie.ch](http://www.fie.ch) :**

- All masks besides the FIE logo should have stamped the 1600 newton lettering
- In addition to the above mentioned logos all Transparent Visors Masks must have the EC logo and must have passed the EC and SEMI tests.
- The Visor must have the month and year of fabrication stamped in a permanent and visible way; and the visor is valid for 2 years counting from that date.
