1) Entry of fencers

Preamble

- Only those fencers having a valid licence for the current season appear on the screen and may be entered in the competitions.
- If one of the fencers whom you wish to enter has no valid licence, you first have to order the licence for the current season according to the standing procedure. Once the licence is ordered, you can go back to the section '**competitions**', '**entry**' and continue the entry procedure. This procedure is the same for the individual and team competitions.

Procedure

1) On top of the page, go to the scrolling menu "**competitions**". Click on "**entry**". Select the competitions by using the search criteria proposed. Then, the list of the competitions in which you can enter your fencers displays. Click on the wished competition.

2) The page of the competition opens and the licenced fencers of your federation displays.

3) Click on the boxes of the fencers whom you want to enter, then validate by clicking on "**enter**". A window of confirmation displays, indicating how many fencers are properly entered. You can show the list of your fencers entered by clicking on "**fencers entered**". If you wish to modify your entries, click on the box of the fencer concerned, then on "**remove**". Check again the list of fencers if necessary. Your entry has been completed.

4) **Print** the list of fencers entered by clicking on '**fencers entered**', then type "Ctrl" + "p" on your keyboard.
